Acknowledgements

I would like to take this opportunity to offer my heartfelt thanks to a number of people without whose help and support, this thesis would never have been possible.

In the first place I would like to express my deepest gratitude to my esteemed Supervisor, **Dr. Krutika K. Sawant**, Professor of Pharmaceutics, for her supervision, advice, and guidance from the very early stage of this research as well as giving me extraordinary experiences throughout the work. Above all and the most needed, she provided me unflinching encouragement and support in various ways. Her truly scientific intuition has made her as a constant oasis of ideas and passions in science, which exceptionally inspire and enrich my growth as a student, a researcher and a scientist. I am indebted to her more than she knows.

I express my sincere thanks to **Prof. M. R. Yadav**, Head, Pharmacy Department, and Prof. (Mrs.) S. J. Rajput, Prof. (Mrs.) Rajani Giridhar, Coordinator, G.H. Patel Pharmacy Building, Pharmacy Department, for having provided me with the necessary laboratory facilities and congenial ambience. I owe my deepest gratitude to Prof. R. S. R. Murthy, Prof. A. N. Misra, Prof. S. H. Mishra, Prof. R. Balraman, Dr. Rajashree Mashru, Dr. Hetal Thakkar, Mrs. Hemal Tandel, Dr. P. Nagar, Mr. S.P. Rathod for their valuable suggestions and help whenever sought for.

Gift samples of Simvastatin and Entacapone by Ajanta Pharmaceuticals Ltd. Mumbai, Lupin Pharmaceuticals Ltd. Pune and Alembic Pharmaceuticals Ltd, Vadodara are duly acknowledged. I also acknowledge the help provided in term of gifts samples of various oils by Gatetfosse Ltd, France and Abitec Corporation, USA.

I am thankful to Director, SICART, Vallabh Vidhyanagar for carrying out TEM studies. Electrical Research and Development Agency (ERDA), Makarpura, Vadodara is also acknowledged for help rendering in carrying out DSC, XRD and SEM studies. I am thankful to the Head, Metallurgy Department, The M. S. University of Baroda and Dr. Vandana Rao, Lecturer, Department of Metallurgy, The M. S. University of Baroda studies for carrying out SEM studies. I wish to express my heartiest thanks to Head, Department of Physics, The M. S. University of Baroda studies for help rendering in carrying out XRD studies. I am thankful to Prof. R.H Parikh, Principal, Ramanbhai Patel College of Pharmacy and Director, Dr K C Patel R&D Centre, CHARUSAT, Changa for their help in carrying out XRD studies.

I would like to thank Dr. Ram Gupta, University of Alabama, USA and his students for providing me inputs while working on supercritical technology. I wholeheartedly thank them for their generous help whenever I needed during my project.
I wish to express my heartiest thanks to my dear friend Hardik Gandhi for the help provided by him during all in vivo experiments. I wholeheartedly thank him for his tireless efforts in all these studies without any constraint.

I take this opportunity to express my thanks to non-teaching staff members at Pharmacy department, Kalabhavan and Pharmacy department, G. H. Patel Building for their kind cooperation.

I would also like to extend my appreciation to my colleagues and friends, especially Sanjay Sir, Sham Sir, Beena mam, Heena Mam, Khushwant sir, Prudhvi Sir, Florence Mam, Ashutosh Sir, for their advice and their willingness to share their bright thoughts with me, which were very fruitful for shaping up my ideas and research.

I take great pleasure in thanking my dear friends Kailash, Anand, Kaustubh, Jigar, Mukesh K, Manjappa, Garima, Abhinesh, Mukesh U, Kiran, Biswarup, Mohan, Prashant M., Prashant N., Neeraj and all others, whose name I might be missing, for their support and encouragement, the moment with whom cannot be forgotten.

I would like to avail this rare opportunity to articulate my genuine appreciation to my most treasured friends Mahantesh, Dipak, Shankar, Gajanan, Prashant and Suresh. I thank all those for every ounce of effort they contributed.

I take this opportunity to sincerely thank the All India Council for Technical Education (AICTE), New Delhi for the financial support in term of National Doctoral Fellowship during this course.

Where would I be without my family? My family deserves special mention for their inseparable support and prayers. Whatever Endeavour I have put to complete this work, would not have been possible without their support. I deeply thank my father, Brother, Sisters, Bhabhi and my sweet nephew Satyam for their never-ending love and support throughout the years and their encouragement and confidence in me. Words fail me to express my gratitude to all my family members, theirs dedication, love and persistent confidence in me. I owe for their patience until completion of my dissertation.

Finally, I would like to thank everybody who was important to the successful realization of thesis, as well as expressing my apology that I could not mention personally one by one.

Sandip S. Chavhan
