ACKNOWLEDGMENTS

Words are inadequate to express my feelings while recording my deep sense of gratitude and respect to my guide Prof. Anjali B. Sabale. It was really an experience to work with and to learn from my guide. I salute her for her unbroken faith in experimentation and deep quest for scientific knowledge. I thank her not only for the guidance, she rendered in the field of research but also for enlightening the path of my life with deep love for science. It was her support with which I could overcome my personal and scientific problems and this work could not have been completed without her inspiring guidance, constructive criticism during the course of my research programme.

I am grateful to Prof. S.S. Kambale Head, Department of Botany, Shivaji University, Kolhapur for the necessary facilities and support. I would like to express my sincere thanks to Dr. P. D. Chavan, Dr. Karadge, Prof. G. B. Dixit, Prof. S. R. Yadav, Dr. N. S. Chavan, Dr. M. M. Dongare, Dr. V. S. Rathod, Dr. D. K. Gaikwad, Dr. R. V. Gruav, Dr. N. B. Gaikwad, Dr. S. R. Ghatage, Dr. K. B. Pawar and Mr. M. Lekhak for their help during the research period.

My heartfelt and sincere thanks are due to Dr. D. H. Dagade, Dr. S. S. Kolekar, Dr. Ashish Sartape, Dr. G. S. Rashinkar, Dr. G. B. Kolekar and Dr. B. M. Sargar, Department of Chemistry, Shivaji University, Kolhapur. Good scientific research could not blossom in an alienated desert; it is a result of fruitful discussion and co-operative exercise of many analytical minds. I thank Dr. Anuse and Dr. Y. D. Kolekar who helped me to carry out the experimentation and to analyze the result with all his empathy and cooperative mind.

I offer my humble and sincere thanks to Dr. B. B. Chaugule (University of Pune) for keen interest and valuable suggestions during this work. During the period of my research work I enjoyed the company of my friends, Aruna, Reshma
Firdose, Mayur, Sachin, Nivas, Amol, Vishal, Seema, Swaroopa, Manasi and Poonam. I hereby express my deepest appreciation and regards to Dr. Mrs S. F. Ferenandas who supported and encouraged me to complete my research.
