ACKNOWLEDGEMENT

First and foremost I Praise and Thank the Almighty God from the bottom of my heart for being an ever flowing source of strength, comfort and inspiration in the completion of this work.

I express my deep sense of gratitude to my guide, Dr. S. Ramachandran, Reader in Economics, Gandhigram Rural Institute-Deemed University, Gandhi gram, for his valuable guidance, constructive suggestions and constant encouragement throughout the course of this exercise. Amidst his tight schedule, he spared a good deal of time for critical examination of the manuscript. His comments were most helpful and rewarding.

I am equally indebted to Dr. Arockiasamy, Head of the Department of Economics, Gandhigram Rural Institute-Deemed University, Gandhigram, for his co-operation throughout the investigation.

I wish to place on record my utmost gratitude to my Principal Dr. (Sr.) Anne Xavier, Holy Cross College (Autonomous) Trichy, for her encouragement and prayers to carry out this work.

I owe my debt of gratitude to my HOD, Mrs. Rinnie and to all my colleagues not only in Economics but also in English Literature Department for their help, co-operation and guidance in completing this work.
I am very much indebted to Prof. N. Kurnarasamy, Prof. T.A. Julius and to Prof. S. Canaseckaran, for their sincere interest over the progress of this work, and for their exemplary patience in going through the manuscript tirelessly and critically amidst busy engagements.

I am equally grateful to Prof. ShanniugavadiVelu, Statistician, for his help and guidance in the statistical analysis and computer programming.

I acknowledge my appreciation to the staff working in the computer centre for typing and word processing.

I express my heartfelt thanks to all beloved ones in my family for their constant encouragement and assistance to complete this task.
