ACKNOWLEDGEMENT

I express my deep sense of gratitude and indebtedness to my guide, Dr.(Mrs.) Thilagavathy Daniel, Professor and Head, Department of Biology, Gandhigram Rural Institute, for her guidance, suggestions, encouragement and motherly approach, which contributed to the successful completion of this research. Her keen interest and surpassing enthusiasm has helped me profusely in the preparation of this thesis. I thank her.

I thank Dr. R.Kumuthakalavalli, Dr.A.David Ravindran, Dr.M.R.Rajan, Dr.V.Anuradha and Mr.P.U.Mahalingam, Department of Biology, Gandhigram Rural Institute, for their encouragement and help. I also thank Mr.S.Ravanappa Technician, Department of Biology, Gandhigram Rural Institute, and my friends for their help and co-operation.

I thank Dr.J.M. Julka, former Director of Zoological Survey of India, Solan, Himachal Pradesh, for identification of the earthworm species.

I am thankful to Dr.(Mrs.) Radha D. Kale, Professor, Department of Zoology, University of Agricultural Sciences, Bangalore, for providing research materials and for suggestions.

I am extremely thankful to Dr. Samuel Paul Raj, Co-ordinator and Head, Department of Natural Resources and Waste Recycling, School of Energy, Environment and Natural Resources, Madurai Kamaraj University, Madurai for his valuable suggestions and constant encouragement.

I thank the Dean, Faculty of Agriculture and Animal Husbandry, Gandhigram Rural Institute, Gandhigram and Additional Director of Sericulture, Dindigul for providing data on rainfall and humidity.
I wish to express my heartfelt and profound thanks to Dr. K.P. Elango, Department of Chemistry, Gandhigram Rural Institute, Gandhigram for his sincere suggestions, continuous encouragement, beneficial and suggestive criticism.

My sincere thanks to Dr. MA Jeyaraju, Professor of English, Gandhigram Rural Institute, for going through the manuscript.

I owe my sincere thanks to Rev. Dr. M. Daniel and his family for their moral support throughout the course of study.

I thank the Department of Biotechnology, New Delhi, for the grant of Research Assistant post through a major project scheme.

I sincerely thank Prof. L.S. Ranganathan, Head and Dr. R. Ramalingam, Reader, Department of Zoology, and Dr. M.R. Venkatachalam, Department of Zoology, Annamalai University, Chidambaram for their help and encouragement during the course of study.

My special thanks are due to Prof. T. Palanichamy (Rtd.), and Prof. P.S. Palanichamy, Department of Botany, A.P.A. College, Palani and Capt. K.M. Rajasekaran, Department of Botany, Madura College, Madurai for their inspiration, guidance and encouragement.

My sincere thanks are due to Mr. A.S. S. Raj, Mr. P. Gubendran, Mr. S. Karuppusamy, Mr. R. Lawrence Xavier, Mr. G. Sundararajan and Mr. J. A. John Paul, Research Scholars, Gandhigram Rural Institute, Gandhigram for their encouragement and timely help to complete the thesis.

I am greatly indebted to my parents, and to my brother, N. Sivakumar for their support, sacrifice and encouragement, during the course of study.

(N. KARMEGAM)
