

ACKNOWLEDGEMENT

I deem it a matter of great privilege to express my profound gratitude to Prof. Kailash Choubey under whose able supervision and assistance encouraged this study could be done. I greatly respect his supervision the in-depth knowledge of the subject, which he shared during research work.

My thanks are due to Prof. J. B. Jain, Head, Department of General and Applied Geography, Dr. H. S. Gour University, Sagar for his kindness and encouraging provision for my research work. I must express my gratitude to Prof. R. S. Dubey, former Head of the Department of Geography for his encouragements for the present work.

I also express my gratitude to eminent Prof. M. Shafi, Prof. R. P. Mishra, Prof. H. S. Sharma and Prof. Y. G. Joshi, for their valuable suggestions during their visit to Sagar.

It is my pleasant duty to place on record my sense of gratitude to all respected teachers and all other members of the Department for their encouragement and inspiration during all the stages of the present work.

I express my gratitude to Dr. P. K. Shrivastava, Principal Govt. K. N. M. M., Damoh, for his valuable suggestions on the research topic. My thanks are due to Dr. P. G. Dubey, former Principal of Govt. K. N. M. M., Damoh for his evincing kindness and encouraging provision for my research work.

I express my thankfulness to officials of Chief Medical and Health Office, District Primary Education Programme, District Rural Development Authority and also to the Government/Private doctors, children, their teachers, mothers who were personally contacted during field work.

I thankful to University Grant Commission, Regional Office, Bhopal (Ministry of Human Resource Development), Government of India for the award of the teacher research fellowship for this work.

The consultation work for this research work was done at various libraries, importantly Jawaharlal Nehru Library, Sagar, Library of Home Science Department Nagpur, Library of National Institute of Public Co-operation and Child Development New Delhi and Library of Food and Nutrition Department, Govt. Autonomous M. H. College of Home Science for Women, Jabalpur. I am also grateful to staff members of these libraries for their co-operations. I am also thankful to all of the research scholars of the Department, for their cooperation during the work.

I am really thankful to Ashutosh Singh Gour for his help and suggestions during the progress of my research work. I am also thankful to N. R. Patra of Professional Computers for typing the manuscript very perfectly, effectively and his full support to make this thesis complete.

It would have been an impossible task to complete this thesis without the co-operation of my family members. My indebtedness to my mother and father who came all the way to help cannot be expressed in word. I am really thankful to my younger brother Dr. Mukesh Ghansoriya for his fully help during my research work. My husband Mr. A. K. Tiwari and my brothers gave me full co-operations, and encouragement during all the times. I am grateful to my daughters Aditi and Aparna as they looked at me to complete my thesis in time.
