Acknowledgements

My Ph.D years, at the Punjabi University, of this thesis have had mentorship from numerous outstanding individuals both from within the university and outside of it. It is to these individuals, that my heartfelt gratitude and thanks go out to, for without their help, this thesis would not have been possible.

First and foremost I would like to thank my supervisor Prof. M. S. Saini, Department of Zoology, Punjabi University, Patiala, for his incessant guidance, perspicacious thoughts, constructive criticism, wonderful analysis, enthusiasm, inspiration, and his great efforts to explain things clearly and simply. Throughout my thesis writing period, he provided encouragement, sound advice, good teaching, good company, and lots of good ideas. It has been a great opportunity to work under such an experienced and caring teacher. I would have been lost without him.

It is difficult to overstate my gratitude to my co-supervisor, Dr. Zakir Husain Khan, Associate Professor, Division of Entomology, SKAUAST-K, Srinagar, for his able guidance and useful suggestions, which helped me in completing this stupendous job in time. His generosity provided me ample time for compiling this thesis. I also express my thanks to Mrs Zakir H. Khan for her humble care and encouragement; I am complaisantly beholden to them.

I wish to express my deep sense of gratitude to Prof. Devinder Singh, Head Department of Zoology, Punjabi University, for providing me all sorts of facilities to complete this venture. I also owe my thanks to all the faculty members of Punjabi University, in particular Prof. Jagbir Singh and Dr. Himender Bharti for their emotional and moral support.

I acknowledge the help received from Prof. M. I. S. Waliullah, present Head, Prof. Sheikh Bilal Ahmad and Prof. F.A. Zaki former Heads of the Division of Entomology, for providing me the lab facilities and congenial atmosphere to work. Thanks are due to Prof. A.H. Mir, Head Division of Statistics, for the help rendered to interpret the data statistically. I owe a special word of thanks to Prof. Emeritus K, D. Farooqi, Division of Pomology, SKAUAST-K, for his ever smiling and benevolent patronage.

Words fail to express my deepest gratitude to all the faculty members of Department of Zoology, University of Kashmir and Division of Entomology SKAUAST-K Shalimar for their support and expert guidance.

My sincere thanks are due to Dr. Paul H. Williams BMNH London for his valuable instructions, welcome diversity of perspectives, sagacious guidance, literature, material exchange and conformation of insect identification.

I am deeply grateful to Dr. D.R, Smith USNM, Washington, Dr. T. M. Laverty Canada, Dr. Teiji Sota Japan, Dr. Norton curator BMNH, London and Dr. Harpreet Singh Ghatour Canada for providing the required literature, time to time help and cooperation throughout the tenure of the present work.
It gives me great pleasure to put on record my deepest gratitude to Dr. V.V. Ramamurthy, Principal Scientist, Division Entomology, IARI, New Delhi for his valuable help in my difficult times and motivation to pursue Ph.D second time, this thesis is a debt to his generosity.

I felicitously mark off the sincere help of Dr. Akhtar H. Malik, ‘Curator KASH’, Dr. A.A. Khuroo, Assistant Professor, Centre of Plant Taxonomy, University of Kashmir, Syed Mudassir Geelani and Reyaz Ahmad Malik, research scholars, Department of Botany, Punjabi University for identification of insect host plants. Thanks are due to authorities of various regional centres of BSI and FRI, Dehradun for conforming the same.

It behoves me to acknowledge with grateful thanks, the authorities of Wildlife and Police Department for permitting me to survey different areas of Jammu and Kashmir. Authorities of Public Works and Forest Departments are also gratefully acknowledged for providing necessary accommodation facilities.

Financial assistance rendered by ICAR, Govt. of India New Delhi under Network Project on Insect Biosystematics is gratefully acknowledged, without which the study would have been impossible.

I shall be failing in my duty if I do not acknowledge the help provided by field assistants Ghulam Mohiuddin Sofi and Tariq Ahmad Sheikh in field surveys. I am also thankful to lab attendants Dilruba Yousuf, Nighat Ayoub and Mohd. Yaqueb Sheikh for their assistance.

I am thankful to the non-teaching staff of Department of Zoology, Punjabi University, Patiala and Division of Entomology, SKUAST-K, Shalimar Srinagar particularly Mr. Mohd. Yaqueb and Mr. Rajesh Kumar, for their help at various levels.

Thanks are due to Dr. M. A. Paray, Dr. Akhter Ali Khan, Dr. Rouf Ahmad, Dr. Nazir Ahmad, Dr. Hidayatullah Tak, Dr. Mehboobul Hassan, Dr. Khursheed Ahmad (Wild life Biologist),
