ACKNOWLEDGMENT

First of all, I express my heart-felt gratitude to **GOD**, the Almighty, without whose blessings this endeavor should not have been a reality in time.

It is a matter of great pleasure for me to express a deep sense of gratitude to my beloved guru Dr. D. Soner Nandappa, Professor; Department of Mathematics, University of Mysore, Manasagan-gotri, Mysore, who enlightened my thoughts through his valuable guidance throughout the period of research. Without his creative approach and tremendous help it would not have been possible for me to shape this thesis in its present form.

I would like to thanks Dr. D. D. Somashekara, Professor and Chairman, Department of Studies in Mathematics, University of Mysore, Mysore, for his helpful advise and providing the facilities in the Department to carry out the research work.

I extend my sincere thanks to Prof. H. N. Ramaswamy, Prof. Chandrashekar Adiga, Prof. R. Rangarajan, Dr. K. R. Vasuki and Dr. Veena Mathad, faculty members of the Department of Studies in Mathematics, University of Mysore, Mysore, for all their encouragement.

I am highly grateful to Professor L. Volkmann, Lehrstuhl II für
Mathematik, RWTH-Aachen University, 52056 Aachen, Germany, Professor S. M. Sheikholeslami, Azarbaijan Shahid Madani University, Tabriz, I.R. Iran, Professor D. A. Mojdeh, University of Tafresh, Tafresh, I.R. Iran, Dr. H. Abdollahzadeh Ahangar, Babol University of Technology, Babol, I. R. Iran, Dr. A. Bahremandpour, Azarbaijan Shahid Madani University, Tabriz, I.R. Iran, and Professor Yancai Zhao, Wuxi City College of Vocational Technology, Jiangsu 214153, China, for their suggestions and useful comments.

My sincere thank goes to former Heads Professor E. Sampathkumar and Professor B. S. Kiranagi, Department of Mathematics, University of Mysore, Mysore, and former Head Professor V. R. Kulli, Department of Mathematics, University of Gulbarga, Gulbarga, to carry out the research work.

I express my indebtedness to family of my guide Smt. N. Vijayalakshmi, Saritha, Raghu, Prashanath for their care and kind hospitality during my visits to the house of my guide for research discussion.

My special thanks and appreciation goes to my beloved husband, Mr. Hossein Abdollahzadeh, for his care and constant comfort. He has always made me feel “I can do anything I want to”; and my lovely daughter Fatemehzahra whose natural smile and patience al-
ways extended to me the real relief. I am thankful to my family for their unfailing encouragement and support.

Finally, I wish to thank all the persons who have helped me directly or indirectly during the course of my research work.
