ACKNOWLEDGEMENT

Nothing in this world would be accomplished exclusively be a result of an individual effort. It is a product of many people coming together, sharing their thoughts and contributing towards its accomplishment. During this research work, I have been benefited by many persons. This is an opportunity to express my sincere gratitude and thanks to them.

I am deeply indebted to Prof. N.K. Taneja, Professor (On Leave) Department of Economics, Ch. Charan Singh University, Meerut and former Vice Chancellor of this university, for giving me the opportunity to undertake the present research. I convey my sincere and respectful gratitude to him for the guidance and support extended by him at every stage of my research.

No words could possibly express my gratitude to Professor Sudhir Sharma, Dr. Atvir Singh, Head, Dr. V.K. Malhotra, Reader, Dr. Dinesh Kumar, Assistant Professor, Department of Economics, Ch. Charan Singh University Campus, Meerut for their invaluable support throughout my research work.

I greatly appreciate invaluable support from Dr. Sanjeev Kumar, Assistant professor, Dayal Singh College, Delhi University, for his active involvement and suggestions for the completeness of this work. I am grateful to all the research scholars of economics department and friends, especially Mr. Sanjeev Baliyan, Dr. Amit Upadhyay, Assistant Professor, Apeejay college, Noida, Mr. Sanjay Kumar and Dr. Haridutt Sharma, Assistant Professor, IIMT engineering college, Meerut.

It would be unjust if I fail to express my deepest sense of gratitude to my parents Shri. Malkhan Singh and late Smt. Vimla Devi for their blessings, love, encouragement
and sacrifice in building my career. I also wish to thank my younger brothers and other family members for their moral support.

I would like to extend my sincere thanks to my wife, Ruchi, who constantly helped me with her affectionate attitude. Special thanks for being so understanding and for the incredible amount of patience she had with me during this research work.

Lau and Kush, my two lovely son have been my constant companion in this journey. Their love and affection gives me the energy and motivation in complete ion of this work.

I am deeply indebted to all my friends specially Mr. Vikas Kumar, Assistant Professor, IIMT Engineering College, Er. Suraj Malik, Associate Professor, IIMT Engineering College and Dr.Omar ali Assistant Professor, IIMT Engineering College, Meerut.

In last but not the least, I would appreciate the efforts of all who directly or indirectly help me in completing this work.
