ACKNOWLEDGEMENTS

It gives me immense pleasure in expressing my appreciation to all those people who have supported me in making this thesis possible. I would like to take this opportunity to thank all who has contributed to my learning process. First and foremost, I must acknowledge and thank The Lord Almighty for blessing, protecting and guiding me throughout this period. I could never have accomplished this without the faith I have in the Almighty.

I express my profound sense of reverence to my supervisor Prof. Ravinder Vinayek, Dean Academic Affairs and Head, Department of Commerce, Maharishi Dayanand University, Rohtak, for his constant support, valuable feedback and advice. I will be forever indebted to him for his meticulous guidance, and sagacious advice, throughout the research work. His generous nature, academic insight and professional competence are a source of inspiration to all those who have the privilege to work with him. As my supervisor, he was readily available and gave prompt advice during the process.

I would also like to extend my gratitude to Dr. Ravi Kumar Gupta, Professor, Vaish Engineering College, Rohtak, for his valuable time and support in completion of the research. His pedagogical talent is greatly responsible for my interest to the subject of the research. I am deeply grateful to him for all the encouragement and constructive feedback throughout the course of the thesis completion process.

I am deeply thankful to my parents, my brother and sisters for their consistent unconditional support at every stage. Finally, I would like to acknowledge my husband, he has been a constant source of strength and inspiration. It was his constant encouragement that ultimately made it possible for me to see this project through to the end. And, my daughter, her innocent love always gave me strength to do the work with new enthusiasm.
