ACKNOWLEDGEMENT

I thank the positive energy that encompasses me that has strengthened me as a person and enhanced me to reinvent my philosophy of life during the challenges of this study.

The present study has been completed under the expert guidance and supervision of Dr. Shripathy M. Bhat, Professor of Psychiatry, Kasturba Medical College, Manipal University. I express my sincere and deep sense of gratitude towards him for having inspired my thoughts in formulating and implementing the study. His expertise in the area of research, patience, dedication and wisdom were the guiding forces that lead to the successful completion of the study.

I express my humble gratitude towards Dr. Anice George, the Dean of Manipal College of Nursing Manipal, Manipal University, for her inherent inspirational qualities, timely motivation and administrative support throughout the study.

I place on record the great support and motivation offered by the Co-ordinator of PhD programme of Manipal College of Nursing Manipal, Dr. Baby S. Nayak.

I am thankful to my present and former Doctoral Advisory Committee Members Dr. Tessy Treesa Jose, Professor and Head of Psychiatric/Mental Health Nursing Manipal College of Nursing Manipal, Professor and Head of Paediatric Nursing Department, Dr. K. S. Latha, former Associate Professor, Department of Psychiatry, Kasturba Medical College, Manipal, Dr. Judith Angelitta Noronha, Associate Dean, Manipal College of Nursing Manipal, Dr. Chandra Sekhar, Former Associate Dean, Manipal College of Nursing Manipal and former Dean Dr. Ratna Prakash for their inspiration and support to achieve the goal.

I am thankful to the Medical Superintendents and Heads of Nephrology Units of Kasturba Hospital, Manipal and Mangalore for granting the administrative permission to conduct the study.

I am grateful to Dr. Ravindra Prabhu, professor and Head of Nephrology, Kasturba Medical College for the valid inputs and constant support throughout the study.

My true motivation to take up this task was people undergoing haemodialysis. Their trust and positive response kept me enthused throughout the study. I thank them for inspiring me for a good cause!
Acknowledgment

I once again acknowledge Dr. Tessy Tresa Jose, Professor and Head of Department of Psychiatric/Mental Health Nursing for showing the path towards PhD.

I feel indebted to Dr. Linu Sara George, Professor and Head of Department of Fundamentals of Nursing, for being there by my side always, ever ready to solve any of my study related concerns.

I am obliged to Dr. Ajith PR Clinical Psychologist, Govt. Mental Hospital, Thiruvananthapuram, for training me in CBT, Mrs. Sreekumari, former Nursing Superintendent, Govt. Mental Hospital, Trivananthapuram and her family for facilitating my learning.

I owe greatly to the solid contributions of Ms. Marykutty Augustine, CBT Nurse, Ireland, towards refining the CBT module and Diary along with all the other experts including Dr. Dinesh N, Professor of Clinical Psychology, Manipal School of Allied Health, Manipal University.

I acknowledge the contribution of all the validators of tools and Dr. Neil R. Powe, Director, Welch Center for Prevention, for granting permission to use the CHEQ designed specifically for dialysis patients.

I thank Mr. Ravi Nayak, Senior Dialysis technician, Mrs. Mamatha, Dialysis Unit In-charge and rest of the Unit Staff for their kind co-operation and valuable support throughout the study.

I extend my gratitude to my friends Dr. Baby S Nayak, Dr. Erna Judith Roach, Mrs. Jyothi RK, Mr. Shashidhara YN, Dr. Elsa Sanatombi Devi, Dr. Prakash PY, Dr. Vinod Pallath for their love, genuine concern and gentle advices that have hastened the progress of this study.

Special thanks to my friends Mrs. Melita Shielini, Ms. Janifer Shiny Baretto, Mrs. Savitha, Mrs. Shalini, Mrs. Roshani R, Mrs. Sreesha, Ms. Bhavyashri, Mrs. Subha Laxmi, Ms. Subha, Ms. Sudha, Ms. Nagaratna and Mrs. Nalinakshi for translating tools, bibliotherapy materials, CBT diary and power point presentation content to Kannada and retranslating to English.

I gratefully place on record the contribution of Dr. Kasturi R Adiga, Principal, Manipal School of Nursing, Mr Prabhath M Kalkura, GFATM Project Co-ordinator, Dr. Gunasagari Rao, Associate Professor of Psychiatric Social Work, Mr. Vittal Giri Rao, teacher KHPS Kadiyali, in assuring the language validity of Kannada tools/Relaxation Record/CBT diary.
Acknowledgment

I sincerely acknowledge Dr. Rajesh Krishna Bhandary, Associate Professor, Department of Psychiatry, for giving a therapeutic touch to the Kannada version of bibliotherapy materials and CBT Diary.

I acknowledge the patience and technical expertise of Mrs. Sulochana and Mr. Kiran for typing the Kannada tools, CBT Diary and Conceptual framework.

My sincere thanks to Dr. Ganapathy Joisa H, Selection Grade Lecturer and Incharge, Department of Yoga, Kasturba Medical College, Manipal University for setting the deep breathing technique for the Relaxation Record.

Mr. Ramdas Prabhu, Associate Professor, Govt. College Udupi for translating the script of Autogenic Relaxation and Guided Imagery and Mrs. Divyashree Patil for giving voice to the Relaxation Record.

I extend my earnest gratitude to Mr. Jayanth Ithal, Musician and former staff of Audio Visual Department of Manipal University for his expertise in selecting the background instrumental music as well as recording the relaxation CD.

I thank my friends Ms. Sudha and Ms. Mekhna for extending their help in the data entry and also Ms. Anjali and Ms. Divya for offering technical support in formatting.

My special thanks to Dr. Sreekumaran Nair, Professor and Head of the Department of Statistics and Dr. Sreemathi Mayya, Associate Professor Senior Scale, Department of Statistics, Manipal University and Dr. Asha Kamath, Selection Grade Lecturer, Department of Community Medicine, Manipal University, Manipal for their valid inputs in the Research Methodology and Analysis.

I express my true appreciation to Mrs. Jyothi Mallya, Senior Librarian, Welcomgroup Graduate School of Hotel Administration and the librarians of Central Library, Manipal University for their valuable support in retrieving the articles.

My sincere thanks to all the teaching and non-teaching staff of Manipal College of Nursing Manipal for their support and encouragement throughout the period of my study with a special note of thanks to the faculty of Psychiatric/Mental health Nursing Department.
I appreciate Mr. Abhay M Shetty, Faculty, Department of Humanities and Management, Manipal Institute of Technology, Manipal University for editing the thesis.

I thank Mrs. Sherly, Shefins Computers, Manipal for printing and binding of the final thesis.

I am grateful to Mrs. Kamala for rendering support at household chores during my busy schedules of work.

Heartfelt thanks for the sincere prayers, unfailing support and perseverance of my mummy Mrs. Omana Prabha and dearest sister Bini Prabha and my in-laws throughout this study.

My tribute to departed papa Mr. S. Prabhakaran and Grandparents for their blessings.

I am forever obliged from the core of my heart to my beloved husband Mr. P. Valsaraj whose enduring love, tolerance and support that have led to the successful completion of the study.

I appreciate my adorable sons Ayush and Aalap for their sincere prayers and understanding shown towards the nature of Amma’s work.

There are many more individuals who might have helped me indirectly in the completion of this work. I extend sincere thanks and gratitude to all of them.

Blessy Prabha Valsaraj
