ACKNOWLEDGEMENT

Apart from the grace of almighty, many people have been profusely generous and helpful to me in the course of my research tenure; I cannot extend my gratitude in a single direction but will have to bestow my thanks, blossoms by blossoms, upon a few, if not all persons, who do merit a special kind of tribute by virtue of their assisting me along the way.

In the first place, I feel tremendously excited in recording my most sincere and profound gratitude to my adroit supervisor Prof. (Dr.) Charanjit Singh (Former Head & Dean), Department of Law, Punjabi University, Patiala, who emitted signals of thorough knowledge for my research work. I would like to make sincere prayer before almighty for him, without his blessings, invaluable guidance, intellectual inspiration and perpetual encouragement; I could not have accomplished and presented this work, in the present form.

I am extremely thankful to Prof. (Dr.) Ravi Karan Singh, Head, Department of Law, Punjabi University, Patiala for his cooperation and encouragement.

I would like to thank all the faculty members of the Department of Law, Punjabi University Patiala and Department of Law, Ch. Devi Lal University, Sirsa for providing valuable guidelines and encouragement, which were much helpful for me.

I owe my sincere thanks to Library staff members of different Universities/institutions for their assistance and cooperation to find out the relevant material for my research.
In the last but not least, I am earnestly thankful to almighty, my parents, my family and my friends for their blessings, inspiration and moral support.

Mukesh Kumar
