**Research publications relating to the thesis in Peer Reviewed Journals**

**Other research publications in peer reviewed journals:**

5. B. Suresha, Kunigal N. Shiva Kumar, **P. Sampathkumaran** and S. Seetharamu, Friction and dry slide wear behaviour of carbon and glass fabric reinforced Vinyl ester composites, Submitted to the Journal of Materials and Design.

Papers presented in Seminars/ Conferences/ Workshops/ Symposiums

27. S. Balamurugan, T. Balasubramanian, **P. Sampathkumaran**, M. Janardhana, R. K. Kumar and S. Seetharamu, The influence of weld heat inputs on the

43. K. Kumar, **P. Sampathkumaran**, and D. Ravindra, Importance of Dissolved Gas Analysis of Transformer Oil for Transformers in Operation in Steel Industries, Workshop on Diagnostic measurements for Transformer assessment, Organized by TISCO, Jamshedpur, India, Jan., 1982.

**Technical and other Reports including News Letters**

2. Study of abrasion characteristics of Indian power station coals, CPRI Technical Report.
