ACKNOWLEDGEMENT

I extend my gratitude and thanks to my guide Dr. A. R. D. Prasad, Associate Professor, Documentation Research and Training Centre (DRTC), Indian Statistical Institute (ISI), Bangalore for his valuable guidance throughout my research work. This research would not have been completed without his patience, guidance and constant encouragement.

I am grateful to Dr. Devika P. Madalli, DRTC, ISI, Bangalore for her valuable suggestions and directional guidance. I would like to extend my thanks to Prof. Michael Shepherd, Dean, Faculty of Computer Science, Dalhousie University, Canada and Prof. Carolyn Watters, Dean of the Faculty of Graduate Studies, Dalhousie University, Canada for their valuable suggestions and cooperation during my stay at the Dalhousie University, Canada as a GSEP (Graduate Student Exchange Programme) Student there. I would also like to thank Prof. Fausto Giunchiglia, Faculty of Information and Communication Technology, University of Trento, Trento, Italy for his patience and directional help during my stay at the Faculty of Information and Communication Technology, University of Trento, Trento, Italy.

I would like to convey my special thanks to Prof. S. K. Patil, Head and Librarian, Department of Library and Information Science (DLIS), University of Pune, Pune and other colleagues from DLIS, University of Pune, Pune for their valuable suggestions and kind cooperation.

I wish to thank Prof. I. K. Ravichandra Rao, Head, DRTC, ISI, Bangalore for all the support and suggestions. I take this opportunity to thank to Prof. K. S. Raghavan, DRTC, ISI, Bangalore and Prof. B. S. Dayasagar, DRTC, ISI, Bangalore for their moral support and valuable suggestions. I also wish to thank Dr. Nanaji Shewale, Gokhale Institute
of Politics & Economics, Pune and Dr. Sunita Barve, NCRA, TIFR, Pune for their valuable suggestions. I would also like to thank to the ISI Library and all the staff members for providing me all the help in terms of valuable resources.

On this occasion, I wish to thank my colleagues Anand Kumar Pandey, Vinit Kumar and Mithun Raj M. from DRTC, ISI, Bangalore and to my all students at DRTC, Bangalore who helped me in proofreading, formatting and printing of this thesis.

I would like to extend my gratitude and thanks to my parents who have always been there to support me. Without their constant encouragement it would have been quite difficult to complete this thesis.
