ACKNOWLEDGEMENT

It is a great pleasure for me to express my deep sense of gratitude and indebtedness to my Research Guides Dr. Aparajita Barkotoki M.Sc. Ph.D., Professor, Department of Zoology, Guwahati University and Dr. Binode Kr. Baruah M.Sc. L.L.B., Ph.D., Selection Grade Lecturer, Department of Zoology, Cotton College, Guwahati, Assam, India under whose direct supervision, valuable guidance and sincere help, this piece of research work has been practically completed. Throughout the entire period of investigation and preparation of the thesis my respected guides were the constant source of inspiration and encouragement.

I do acknowledge my sincere gratitude to the Head and Faculty members of the department of Zoology, Guwahati University for providing the necessary facilities to conduct the research work.

I am grateful to Dr. Deepak Kr. Baruah, Deputy Analyst, Pollution Control Board of Assam for his valuable help and suggestions and providing me some practical procedures involved in the research work.

I am equally grateful to the Director, Institute of Advanced study in Science and Technology, Guwahati; Librarian, K.K. Handique Library, Guwahati University for providing facilities to use their esteemed libraries.

I would like to offer my sincere thanks to Sri Munindra Deka, Asstt. Engineer, Urban Water Supply Department, Assam and Sri Durgeswar Kumar of Soil Testing Centre, Ulubari, Guwahati for their generous help during the course of my research work.
I would like to offer my sincere gratitude to the Principal, North Guwahati College, North Guwahati for giving me permission to pursue my research work.

This acknowledgement column would remain incomplete if I do not express my indebtedness to my friend Dr. Jadab Chandra Kalita of Banikanta College of Teacher Education, Guwahati for his generous help, advice and suggestions during the whole course of my research work.

I would like to take this opportunity to offer my sincere gratitude to my colleagues in the department of Zoology, North Guwahati College for their valuable suggestions and encouragement during the course of my study.

I do offer my sincere thanks to my brother-in-law Dr. Munin Kakati MMS (B.B.A, Pillani), Professor and Head, Department of Business Administration, Guwahati University who encouraged me with valuable advice during the entire period of my research work.

Lastly, I would like to offer my special thanks to my wife Mrs. Pranita Kakati M.Sc. Lecturer (SLG), D.K. College, Mirza, Sons Pradyut and Bidyut and my brothers and sisters for their inspiration during the course of my study.
