Acknowledgements

It gives me immense pleasure to express my deep sense of gratitude to my research supervisor Prof. V. Pulla Reddy, Chairman, BOS, Dept. of LIS, S.V.University, Tirupati, for his valuable guidance, encouragement and constructive suggestions at every stage of my research work.

I am highly grateful to Prof. N.Guruswamy Naidu, former Professor and Head, Dept of LIS, S.V.University for encouraging me to join the Ph.D. programme and helping me to select the topic for my research. My sincere thanks are due to Prof. T.Rajagopal, Dr. D.Chandran, Associate Professor, Dr. K.Padmini, Associate Professor and Dr. I.Chandraiah, Associate Professor of the Dept of LIS, S.V.University, Tirupati.

I express my thanks to all the librarians of the affiliated colleges of S.V.University and S.K.University who responded readily to my questionnaire and helped me to complete my research undertaking. I also express my sincere thanks to the research scholars of S.K.University, namely Sri Ramasubbaiah, Sri Ramchander and Sri Ch.Venkatesh for their help in collecting the questionnaires from the librarians of the affiliated colleges.

I profoundly thank Dr. Smt. K.Meharmani, principal D.R.W.Degree college, Gudur, Nellore Dt, for her constant encouragement for completing my research work. I thank Prof. Jayantha, for his eminence in English language correction which in turn increased the quality of my thesis.

I am indebted to my beloved father, Prof. P.Kamaiah (Retd.) for his inspiration and encouragement throughout my research study without whose help I
could not have completed this thesis. I also thank my brothers, Mr. P.Govardhana Kumar, Mr. P.Reddy Giri, and Mr. P.Leela Krishna for the help extended in DTP and enabled me to bring out this thesis so neatly and elegantly.

I thank my husband Dr. M.Mohan Kumar for his encouragement and moral support to complete this study.

Last but not least, I thank each and every one who helped me to complete this research work with fruitful results.
