Chapter -10 Acceptance Letters and Reprints of published research papers

10.1 Acceptance from International Journal of Knowledge Engineering with Impact factor 4.5
Dear Prof. Desai:

Thank you for your continued patience and work. The paper, although not quite perfect, is accepted for publication, conditional on your working closely to discharge all future language issues raised, for instance, by the copy editor. This may introduce delays into the publication timetable.

To accept these conditions, and to allow us to proceed with publication, please sign the Copyright Transfer Agreement in the link below.

Please send the completed and signed form to:
