ACKNOWLEDGMENT

It is with great pleasure that I acknowledge my deep sense of gratitude for all the valuable assistance I received from my esteemed colleagues and all those who are directly and indirectly involved in the task of my research thesis.

I am profoundly indebted to my mentor and guide Dr. P. Ishwara Bhat, M.A., LL.M., Ph.D., Dean and Chairman, Department of Post-graduate Studies and Research in Law, University of Mysore, Manasagangotri, Mysore, for his timely and scholarly guidance and encouragement and wholehearted cooperation in the timely completion of this research thesis. He has been the source of strength at all times by giving very valuable suggestions throughout my research task. His research experience and scholarly teaching in law has greatly contributed for bringing out a research thesis. He has been a source of inspiration for all research activities in the department.

I take this opportunity to place on record my deep sense of gratitude to my esteemed colleague Dr. C. Basavaraju, Reader, Department of Post-graduate Studies and Research in Law, University of Mysore, Manasagangotri, Mysore for his unstinted support extended to me through his scholarly suggestions in shaping the thesis to a desired level. He has been kind enough to provide me an excellent moral support towards my academic accomplishment. He has been a source of inspiration for research activities in the department.

I am thankful to my colleague Sri. T. R. Maruthi, Lecturer, Department of Studies in Law, Manasagangotri, Mysore for his wholehearted support in my efforts of bringing out this research thesis. He has been kind enough in providing Library books for my research work and also assisted me in completion of my research work within the stipulated time.

I would like to make special mention of my colleague Sri. B. Sandeepa Bhat, Research Scholar, Department of Studies in Law, Manasagangotri, Mysore for
his abundant support and assistance for timely completion of my research work. He has extended his help to my research endeavour for exploration of resource material. I take this opportunity to place on record my thanks to him for all the support and cooperation.

I would like to express my sincere thanks to my colleague Sri. N. S. Sreenivasulu, Research Scholar and Guest Faculty, Department of Studies in Law, Manasagangotri, Mysore for his excellent support in accomplishing my research work.

I would like to express my deep sense of gratitude to my “Guru” Dr. C. K. N. Raja, Former Dean, Department of Studies in Law, University of Mysore, Manasagangotri, Mysore and presently the Director of Legal Studies, Mahajana Law College, Jayalakshmipuram, Mysore for his scholarly teaching on ‘Research Methodology’ and encouragement for undertaking research work.

My sincere thanks are due to Sri. Kariyappa, Executive Engineer Vani Vilas Water Works, City Corporation, Mysore and Sri Shivanna, Junior Engineer, Vani Vilas Water Works, Yadavagiri, Mysore, for providing me the data and information relating to water supply, Borewell, and Sewage Treatment plant in Mysore city. I am also thankful to the Commissioner, City Corporation, Mysore for his cooperation for getting data for my research work.

I would like to make special mention of Mr. Prakash, Environment Officer, Karnataka State Pollution Control Board Regional Office, Metagalli, Mysore for his unstinted support through providing necessary data relating to water sample analysis of city lakes water and other useful literature pertaining to my research work. The interaction with him provided me an opportunity to know the depth of the problem of water pollution. I express my sincere thanks for his co-operation in completion of my sample survey.
I am thankful to Sri Ranga Rao, Executive Director, Chamarajendra Zoological Gardens, and Sri. Raghu, Assistant Engineer, Zoo Authority, Mysore for providing me necessary information about the Karanji Lake which comes under the jurisdiction of Zoo Authority. The authorities have been kind enough to share their thoughts and steps initiated for the restoration of lake. The discussion was very useful for my research work.

I am greatly indebted to Sri Sathish, Executive Engineer, Engineering Division, University of Mysore, Mysore, for his kind Cooperation in discussion and in providing necessary information relating to my research work pertaining to Kukkarahalli lake which comes under the jurisdiction of Mysore University.

My sincere thanks are due to Sri. K. Marigowda, Vice-President Zilla Parishat, Mysore District, Mysore who has helped me in getting the required information for my research work.

I am thankful to Prof. M.K. Ramesh, National Law School of India University, Bangalore for his scholarly Suggestions for undertaking the research work on water pollution. He has been a source of inspiration for research work on environmental law. He has been kind enough to share his thoughts on environmental issues.

I am thankful to Mrs. Sumitha Rao, Research Scholar, National Law School of India University, Bangalore for helping me in getting the source material for my research work.

I take this opportunity to record my deep sense of gratitude To Prof. U.N. Ravi Kumar, Director, Centre for Appropriate Rural Technology (CART), National Institute of Engineering, Mysore, who is instrumental in taking up the research work relating to city lakes. He has been very kind enough in providing me necessary information about the history of city lakes and other literature for my completion of the research work. Being an active environmentalist, he has
been doing an excellent work to spread the awareness among the public for preservation of water bodies from being polluted. The discussion which I had with him made me very much enriched about the social concern. My sincere thanks are due for him for his wholehearted support for the completion of my research work.

I am extremely thankful to Mr. Sreedharan and Mr. Mahesh DTP operators for their cooperation in completion of typing work on time.

I am thankful to the non-teaching staff of the department for their kind cooperation. I thank the students of our department for their support for the completion of my research thesis.

I acknowledge the moral support extended to undertake the research work given by my wife and daughter.

The Thesis is dedicated to my wife

I would like to record my deep sense of gratitude to my Mother, Brothers, Sisters, and all the members of the family for extending a moral support for my research work.
