ACKNOWLEDGEMENTS

The researcher takes this opportunity to express her deep sense of gratitude to Dr. S.P. Ahluwalia, Professor, Head, and Dean, Education, Dr. H.S. Gour University, Sagar (M.P.) 470 003, under whose scholarly and expert guidance the present study was designed and completed. His keen interest, critical appraisal and useful suggestions, have provided the researcher urge, initiative and incentive to complete the research work successfully and satisfactorily.

A debt of gratitude is also acknowledged to Dr. Joe Khatena, Professor and Head, Department of Educational Psychology, Mississippi State University, Mississippi (USA) for the useful advice and critical guidance in finalization of the contents of this work.

The investigator owes to the authorities of University of Delhi, Delhi, ICSSR, New Delhi and NCERT, New Delhi for kind help. The Faculty of Education, Banaras Hindu University, Varanasi (UP) and University of Saugur, Sagar (M.P.) deserve appreciation for granting permission to avail their library facilities.

Deep gratitude is shown to Dr. A.G. Madhosh, Professor and Head, Department of Education, Kashmir University, Kashmir,
Dr. M.N. Wali, Retd. Reader, Department of Education, Banaras Hindu University, Varanasi (UP), and Dr. A.K. Kalia, Assistant Professor, Department of Education, Rohatak University, Rohatak (Haryana), who not only helped but also provided information about previous studies and allied literatures.

Her kind thanks are also due to all the members of the teaching staff of the University College of Education, Sagar (M.P.) for their encouragement and patience.

Sincere thanks to the principals of different schools of Sagar district (M.P.) for providing facilities to collect the relevant research data. She is also grateful to all those teachers who participated as subjects in this investigation.

She affectionately acknowledges her indebtedness to her parents, brothers, sisters and friends for their interest, understanding and patience shown throughout the conduct and completion of this study.

Lastly, the researcher thanks Mr. Raja Ram Rajak who typed the manuscript with great care and caution.
