Acknowledgements

Completion of my Ph.D. work has been a long journey. This Ph.D. work has been seen through to completion with the support and encouragement of numerous people. Though it is not possible to express my gratitude in words, but I would still like to thank all those, who helped me and made this Ph.D. work possible and an unforgettable experience for me.

First and foremost, I feel privileged to express my sincere regards and gratitude to my supervisor Prof. Amalendu Pal, Kurukshetra University, Kurukshetra, for his expert guidance, cool temperament, valuable suggestions, support, advice and constant encouragement throughout the course of my research work. The critical comments rendered by him during the discussions are deeply appreciated. I could not have imagined having a better advisor and mentor for my Ph.D. work. It is because of his deep insight and knowledge of the subject that this work has taken the present shape.

I express my genuine thanks to all teachers and other staff members of the Department of Chemistry for their direct or indirect help in the course of investigation. I am extremely thankful to former Chairman, Department of Chemistry, Kurukshetra University, Kurukshetra, for his valuable suggestions and inspiration. It has been a great honour to work under his proficient guidance. Without him it was impossible for me to complete this work.

My earnest thanks are due to my seniors Dr. Arvind Kumar, Dr. Harsh Kumar, Dr. Rekha Sharma, Dr. Dinkar Sharma, Dr. Vaneet Thakur, Dr. Tejwant Singh, Dr. (Mrs.) Neelima Dubey, Dr. Surender Jaglan, Dr. Rajesh Karsa, Dr. Vinod Battan, Dr. Rajiv Kumar and Dr. Ramesh Kataria, for their incalculable suggestions.

With genuine perception of moral obligations, I acknowledge my sincere thanks and appreciation to Dr. Manoj, Dr. Nalin Chauhan, Dr. Sunil Dhull, Dr. Krishan, Mr. Jasmer, Mr. Virender, Dr. Satish, Dr. Vijay Kiran, Dr. Tushar, Mr. Anshul, Mr. Sita Ram, Mr. Gulshan, Dr. Yogender, Dr. Sohan Lal, Mr. Mohinder, Ms. Ekta, Mr. Suresh, Ms. Prabhjot, Ms. Sheena, Ms. Ankita, Ms. Alka, Mr. Mohit, Mr. Rupinder, Mr. Narender, Dr. Jasbir Sangwan, and other research scholars of this department for their co-operation during the course of work. I would also like to thank my friends Dr.
Rakesh Kumar, Dr. Ashwinder Rana, Mr. Vishrut Bharati, Mr. Vishal Baloria and Dr. Keshav Walia for their support and encouragement.

One cannot forget the strength and support one gets from the family. With gratitude and astonishment, I acknowledge and admire the unbounded love, constant inspiration and moral support bestowed on me by my dear Parents, Sh. Rajinder Kumar and Smt. Ranjit Kaur, my brother Mr. Sunny, without whom, the present effort would have remained an unrealized dream and a mere thanks would not suffice for it. I would also like to acknowledge my parents-in-law, Sh. Om Dutt and Smt. Pyaro Devi and brother Mr. Bhupender Singh his wife Kamlesh, and their little son Eklavya (Addu), sister Ms. Kiran for the unbounded love, constant inspiration and moral support bestowed on me which gave me support to go through in tough times.

I will be failing in my duty if I do not acknowledge my thanks to my life-partner, Mrs. Usha for her love, affection, moral support, and constant inspiration, which made it possible to fulfill this task.

I take this opportunity to sincerely acknowledge DST and CSIR, New Delhi for providing financial assistance in the form of Junior Research Fellowship and Senior research Fellowship respectively, which helped me to perform my work comfortably.

Last but not the least, I would like to thank Almighty for His immense blessings and help which He provided me throughout my life.
