ACKNOWLEDGEMENT

With deep sense of indebtedness, it is my privilege to express sincere gratitude and whole hearted thanks to my honourable Advisor Prof.(Dr.) S K Sinha and Co-Advisor Dr. A K Bhardwaj, Associate Professor and Head, EE for their meticulous guidance, inspiration and constant encouragement. I am greatly indebted to them for guiding me whenever I faced difficulty during discussion on my topic. Their guidance and motivation have helped me to pave my way towards excellence. I am fortunate to have an opportunity to work under their supervision.

I express my deep regards to Prof. (Col.) Gurmeet Singh for his kind encouragement and valuable advice to start the research work and complete in time.

I would like to give my whole hearted thanks to Prof.(Dr.) G. Nath, Ex. Professor of Indian Institute of Sciences, Bangalore for his valuable suggestions in correct thesis writing.

I express my sincere gratitude and whole hearted thanks to Dr. Jyoti Srivastava (SAC member) for her advice, co-operation and indulgent suggestions.

I express my earnest heartfelt thanks to Hon’ble Vice Chancellor & Most Revt. Bishop Prof.(Dr.) R.B Lal Sir, Prof(Dr) P. W. Ramteke Dean PG, Prof(Dr) M. Imtiyaz Dean FET and Prof.(Dr) A.A. Broadway, Director Research for providing healthy environment and their valuable encouragement to complete the work in time.

I would like to express my earnest heartfelt thanks to Prof.(Dr.) R.K. Pandey and my friend Er. Brijesh Singh for his encouragement and valuable advice during the whole work. I put my sincere thanks to my faculty friend Er Sudhanshu Tripathi, Er. Dharmendra Singh, Er. Anupam Mashi for their kind support and suggestion. I would also like to express my gratitude to the entire staff members of the department of Electrical Engineering for their consistent encouragement and support and providing a healthy environment in the department. I acknowledge all those whose guidance and encouragements have helped me in winding up the thesis and would not have been possible without their masterly advice.

Over and above I offer my humble thanks and gratitude to Almighty God the most beneficent and merciful who kindled my confidence and determination to accomplish this work. Finally, I would like to thank my parents, family members and friends for their love, continuous inspiration, blessing and moral support.
