ACKNOWLEDGEMENT

It is with great appreciation that I acknowledge the contributions and support in completing this thesis. It is with great appreciation that I acknowledge the contributions and support of my supervisor Dr Nishi Tripathi, whose time, effort and guidance were highly beneficial during entire program. Her constant inspiration and motivation has helped me to produce best possible research within defined constraints. My sincere gratitude to Prof. (Dr.) Ashok Tripathi for his invaluable guidance, support and assistance. I am especially indebted to Dr. Rameshwar Dubey, Associate Professor, & Dr. Parag Diwan, Vice Chancellor of University of Petroleum & Energy Studies, Dehradun for his motivation and excellent support. My sincere appreciation and thanks to my students for their constant motivation.

My heartfelt appreciation to my family members: my mother, wife, father, sister and to my other family members for their sacrifice. Their endless support, encouragement and understanding throughout my good times as well as my tough times are so meaningful.
