ACKNOWLEDGEMENTS

An acknowledgement is never the full expression of one’s gratitude towards the person(s) whose help has been sought in the conduct of this work from time to time. Language is an inadequate medium to express one’s sentiments. It is the only way, one can record one’s gratefulness and indebtedness to all those but for whose help and guidance this work could not have been accomplished.

Words fail me in my humble attempt to express my profound feelings of gratitude to my esteemed scholarly supervisor, Dr. Umender Malik, Assistant Professor-II, Department of Education, M. D. University, Rohtak for his constructive criticism, magnanimous help and meticulous guidance throughout the conduct of this study. Without his constant and uninhibited encouragement, this investigation would have been impossible to take shape.

I would also like to express my deepest gratitude to Prof (Mrs.) Hemant Lata Sharma, Dean & Head, Department of Education, M.D. University, Rohtak for her continuous support in boosting my morale to complete the task.

The investigator fails to find proper words to express her profound gratitude to Prof. (Mrs.) Indira Dhull, Department of Education, M.D. University, Rohtak for her valuable advice and support to complete the task. I would also like to express my deepest gratitude to all staff members of Department of Education, M.D. University, Rohtak. I would also like to express my deepest gratitude to Dr. R. K. Bhaker, Former Principal, S. P. College of Education, Rewari for his valuable advice and support to complete the task. I would also like to express my deepest gratitude to Dr. N. K. Chandel, Associate Professor, Department of Psychology, K. L. P. College, Rewari for his valuable advice and support to complete the task. I must also thank all the school principals & teachers who furnished the data for the present study. My gratefulness also goes to the staff of different colleges and universities libraries for their help and cooperation.

My thanks are also to my friends and colleagues. I must also share my accomplishments with my loving and caring husband Dr. Sunil Kumar whose invaluable
respect and encouragement served me like a lamp post to pursue my studies seriously and sincerely, and also with my respected parents who always inspired me in every way providing moral support and guidance, so extends to my loving son Honey & Hardik and loving daughter Manisha.

I must also not forget to thank my all dear and near family members who helped me directly and indirectly through their love and affection.

Above all, I must record my deepest gratitude to the ‘Almighty’ who bless me with the opportunity to accomplish this task.

Last but not the least, I must also thank Sourabh Vats, Shri Ram Graphics, Rewari for typing the thesis with great care, patience and sincere efforts.

Manju Rani
