## Chapter 1: Introduction ............................................................... 1  
1.1 Human resource ....................................................................... 1  
1.2 Human resource development .................................................. 1  
1.3 Training and development ........................................................ 2  
1.4 Background ............................................................................. 3  
1.5 Telecom industry ...................................................................... 5  
  1.5.1. Indian telecom industry .................................................... 6  
  1.5.2. Administration and control ................................................. 6  
  1.5.3. Emergence of public and private service providers .......... 7  
  1.5.4. Present scenario ............................................................... 8  
1.6. Brief profile of the selected units in the private and public sectors of the telecom industry ................................................. 9  
  1.6.1. Bharti Airtel Ltd. ............................................................... 9  
  1.6.2. Aircel Ltd. ....................................................................... 10  
  1.6.3. Mahanagar Telephone Nigam Ltd. (MTNL) ..................... 10  
  1.6.4. Bharat Sanchar Nigam Ltd. (BSNL) ................................. 11  
1.7. Rationale for studying employee development in telecom industry ................................................................. 12  
1.8. Research problem .................................................................. 13  
1.9. Key definitions ....................................................................... 16  
1.10. Organization of the study ....................................................... 17  
1.11. Summary .............................................................................. 18

<td>73</td>
</tr>
</tbody>
</table>
3.5.3. Instruments used

3.6. Pilot testing
   3.6.1. Face validity
   3.6.2. Content validity

3.7. Sample size

3.8. Data collection

3.9. Hypothesis for testing

3.10. Variables
   3.10.1. Independent and dependent variables
   3.10.2. Control variables

3.11. Hypothesized model

3.12. Analysis pattern

3.13. Summary

Chapter 4: Data Analysis and Results

4.1 Demographic data analysis
   4.1.1. Demographic variable: Gender
   4.1.2. Demographic variable: Age
   4.1.3. Demographic variable: Qualification/Education
   4.1.4. Demographic variable: Experience/Tenure
   4.1.5. Demographic variable: Position

4.2. Implementation of employee development practices
   4.2.1. Implementation of employee development practices in telecom industry
   4.2.2. Implementation of employee development practices in private and public sectors of telecom industry
   4.2.3. Implementation of employee development practices in selected private sector units of telecom industry
   4.2.4. Implementation of employee development practices in selected public sector units of telecom industry

4.3. Hypothesis testing

4.4. Interpretation and discussions

4.5. Perception of employees towards existing employee development practices
   4.5.1. Perception of employees towards existing employee development practices in telecom industry
   4.5.2. Perception of employees towards existing employee development practices in private and public sectors of telecom industry
4.5.3. Perception of employees towards existing employee development practices in selected private sector units of telecom industry

4.5.4. Perception of employees towards existing employee development practices in selected public sector units of telecom industry

4.6. Hypothesis testing

4.7. Interpretation and discussions

4.8. Impact of employee development practices

4.8.1. Structural equation model technique

4.9. Hypothesis testing

4.10. Summary

Chapter 5: Conclusions and Recommendations

5.1 Extent of implementation of employee development practices

5.1.1. Telecom industry: Private and public sector

5.1.2. Selected units of private sector of telecom industry: Airtel and Aircel

5.1.3. Selected units of public sector of telecom industry: MTNL and BSNL

5.2. Perception of employees towards existing practices

5.2.1. Telecom industry: Private and public sector

5.2.2. Selected units of private sector of telecom industry: Airtel and Aircel

5.2.3. Selected units of public sector of telecom industry: MTNL and BSNL

5.3. Overdone and underdone practices

5.4. Perceived impact of employee development practices in telecom industry

5.5. Implications and recommendations

5.5.1. Implications

5.5.2. Recommendations

5.6. Significance of the study

5.7. Limitations of the study and directions for future research

5.8. Summary
