ACKNOWLEDGEMENT

To achieve target is a work that takes lot many people with innovative ideas and creative minds. The list of the people is thus very long who played significant roles in completion of my thesis. There are end numbers of people who acted as torch bearers and stood with me for their ceaseless guidance. So now I humbly acknowledge all the members who directly or indirectly supported me to complete this mammoth task.

First of all, I thank to almighty for blessing me with enough strength and patience to accomplish this research work and making this dream come true.

Now the words for the person without whom I could not even dreamt of this work done. A whole heartedly thanks to my guide Prof. K. S. Sharma, Advisor, The IIS University, Jaipur. His loving guidance and continuous inspiration motivated me. His encouragement after every fixed interval made me zealous throughout the research work. The work is furnished just because of his generous conduct, affectionate approach and the interest he has shown throughout this task; I would thank him once again foe all his guidance, support and inspiration.

With humble respect, I would like to extend my sincere thanks to my co-supervisor Dr. Ritu Jain, Head, The Physical and Computing Sciences, The IIS University, Jaipur, for guidance throughout my endeavor.

I express my deep sense of gratitude to Dr. Ashok Gupta, Vice Chancellor, The IIS University and Dr. Rakhi Gupta, Registrar, The IIS University, Prof. Pradeep Bhatnagar, Dean Faculty of Sciences, The IIS University, Jaipur who provided me an excellent and healthy environment as well as equipped facilities to pursue my work.

I thank my DRC members, Prof. D. C. Dube, IIT, Delhi, Prof. Deepak Bhatnagar, University of Rajasthan, Jaipur, and Prof. Ila Joshi, The IIS University, Jaipur, for their valuable suggestions and comments during my progress report presentations.
I must acknowledge that this work could not have seen the light of the day without the benevolent support and constant motivation of Dr. S. M. Seth, Chairperson, Poornima Foundation, Shri Shashikant Singhi, Director General, PF, Dr. K. K. S. Bhatia, President, PU, Shri M. K. M. Shah, Director (Admin & Finance), PF, Dr. R. P. Rajoria, Chief Mentor & Advisor (Engg.), PF, Dr. Manoj Gupta, Provost, PU, for the encouragement, valuable co-operation and support for the completion of my research work.

Most of the results described in this thesis would not have been obtained without the help of Gyratron laboratory, CEERI, Pilani. I owe a great deal of appreciation and gratitude to Prof. S. N. Joshi, Emeritus Scientist and National Coordinator ‘Gyrotron’ Microwave Tubes Division, Central Electronics Engineering Research Institute, Pilani. I would also like to thank Dr. Ashok Sinha, Director, Gyrotron Lab, CEERI, Dr. Hasina Khatun, Sr. Scientist, Mr. Om Ranjan, Sr. Scientist, for helping me to sum up the part of my research work at CEERI.

I shall always be in debt to all the faculty members, Dr. Neeraj Jain, Dr. Rekha Nair, Dr. Priti Kaushik, Dr. Deepti Mathur, Dr. Sonu Sankhla, Dr. Pramod Awasthi, Shri J. R. Lohar for their unflinching support and assistance. I extend a grateful thank to my friend and colleague, Ms. Nidhi Bhargava, Ms. Komal Jangid for their immense support. I would also give my heartfelt thanks to Dr. Roopam Kothari, Asstt. Prof., IISU, who supported me in using SPSS-20. I am also grateful to Mr. Govind Sharan Soni, P. A. to Advisor and C. M. Saini, Research Section Incharge, who gave their best support to make my work successful.

I wish to express my deep appreciation and heartfelt gratitude to all the respondents who so readily consented to spare time and offer their insightful comments on the subject of my research project.

Recollecting the valuable contribution of the family, though, is conventional, yet in my case is heartfelt. A special vote of thanks to my father in law, Shri Manohar Lal Vijay, mother in law, Smt. Kalawati Vijay and my parents, Late Shri Anand Vijay and
Smt. Geeta Vijay, for not only inspiring and encouraging me but also for providing me the much needed co-operation and motivation, to enable me to successfully complete the work.

In the end, I owe a huge thanks to my husband Mr. Satish Vijay, for his support and assistance in every step of my thesis. His simple conduct and infinite zeal to work unassumingly were a source of inspiration to me in scientific and moral sphere. I would also like to thank my son, Shriyansh Vijay and daughter, Vanshika Vijay, who were with me when I was writing my thesis, for giving me unlimited happiness and pleasure and to have a patience attitude.

Ravika Vijay
