ACKNOWLEDGEMENTS

The present study has been drawn inspiration and guidelines from many persons. And, I recall with exultation with pride how, just for my asking I have received all the help from every quarter.

Prepared under the direct supervision of Prof. Atmanand Misra, M.A., D.Litt. Former Professor and Dean Faculty of Education, University of Saugar, the thesis is the product of my supervisor's expert guidance, perseverance, patience, right from the very conception, down to the completion of the present research. Prof. Misra's zeal for education/research, understanding attitude and patience provided the right kind of support, a young research worker needs at the early stage of his career. I express my heart-felt thanks to him and also express my regards and gratitude to him.

My sincere thanks are due to Prof. T.S. Murty, Former Vice-Chancellor, University of Saugar and Shri D.B. Khare, Registrar, Indian Institute of Public Administration, New Delhi for providing me the financial assistance and for their keen interest in my research work. They also deserve special mention, as they have provided me, all the facilities, without which this work would have been a dream.

I take this opportunity to register my note of gratitude to Prof. G.D. Sharma, Association of Indian Universities,
Dr. Chabra, Reader in Economics in Indian Institute of Public Administration, New Delhi, and Dr. H.C. Sainy, Asstt. Prof., Department of Commerce, University of Saugur, for their help and suggestions, which have been available in an abundant and liberal measure.
