I am dutiful to thank LORD ALMIGHTY who has blessed me with all resources to complete this piece of work in a fruitful manner.

I wish to express my sincere appreciation to all who have contributed to this thesis and supported me in one way or the other during this amazing journey. It would not have been possible to write this doctoral thesis without the help and support of the considerate people around me, to only some of whom it is possible to give particular mention here.

I place on record my deep sense of gratitude to our most respected and esteemed President, Shri A.P.C.V. Chockalingam, and our honourable Secretary, Shri A.P.C.V. Shunmugam, for granting me permission to pursue my doctoral degree in Botany while working as Assistant Professor of Education, V.O.C. College of Education, Thoothukudi.

I am extremely grateful and deeply indebted to my Guide Dr. V.R. Mohan, M.Sc., M.Phil., Ph.D., Associate Professor and Head, P.G. and Research Department of Botany, V.O. Chidambaram College, Thoothukudi, for his invaluable insights, unstinted support, stimulating suggestions, encouraging and constructive feedback. His inspirational, thoughtful, detailed comments and meticulous guidance helped me in all the time of research and in compiling the report to take its form.

I express my sincere gratitude to Dr. V. Thamodharan, Principal, V.O. C. College of Education, Thoothukudi, for his constant encouragement. My special thanks to Dr. C. Veerabahu, Principal, V.O.Chidambaram College, Thoothukudi for permitting me to utilise all the necessary facilities available at V.O.C. College, for the completion of this work.
I wish to express my sincere thanks to Dr. S. Kumaravel, Senior Scientist, Food Testing Laboratory, Indian Institute of Crop Processing Technology, Ministry of Food Processing Industries, Govt. of India, Thanjavur, for his immense help in conducting the GC-MS, HPTLC and LC-MS analysis.

I have great pleasure in expressing my gratitude to Dr. R. Sampathraj, Honorary Director, Dr. Samsun Clinical Research Laboratory, Tirupur for his help and facilities provided for the pharmacological studies.

I would also like to take this opportunity to thank my teachers, of whom Prof. R. Jegatheesan, Prof. K. Kalaperumal and Dr. J. Josephine Saleth Mary, deserves special mentioning here. I am grateful to my teacher Dr. S. Rasul Mohaideen, whose inspirational motivation provoked my aspiration to do Doctoral degree in Botany. I sincerely thank my colleagues, both teaching and non teaching members of V.O.C. College and V.O.C. College of Education, Thoothukudi, for their concerned comments and suggestions. I thank my lovable student teachers of V.O.C. College of Education, Thoothukudi, for their sincere wishes and help rendered by them. I also thank Mr. A. Kolangi and Mrs. Reena for the timely help.

My heartfelt thanks to all the co–research scholars, especially Mr. M. Murugan, Ms. P. Tresina Soris, Mrs. V. Kalpana Devi, Ms. G. Sakthidevi, Mrs. A. Nishanthini, Ms. M. Packia Lincy, Ms. E. Daffodil. D. Almeida, Ms. A. Agnel ruba and Ms. K. Rajalakshmi who made the working environment of our laboratory both friendly and productive and helped me in all the time of my research. They are highly instrumental in bringing out this thesis.

I wholeheartedly thank Mr. Mareeswaran, Robert Xerox, Thoothukudi, for elegantly bringing out this thesis.
Words cannot express the feelings I have for my parents, **Mr. V. Gopalasamy**, Senior Manager (Retd), Indian Overseas Bank, Thoothukudi. and **Mrs. G. Vimala Gopalasamy** and my in-laws, **Mr. G. Selvaraj**, Senior Deputy Registrar (Retd), Manonmaniam Sundaranar University, Tirunelveli. and **Dr. P. Vijayal Selvaraj**, Former Principal, V.O.C. College of Education, Thoothukudi, for their love and unconditional support. It was their constant goodwill, sincere prayers and continuous encouragement that ultimately made it possible for me to accomplish this project.

I acknowledge my beloved and benevolent husband, **Mr. S. Rajaram** and my dearest kids, **Master. R. Pravin Karthik** and **Master. R. Pranav Karthik**, who are the spring of my happiness. They have been a constant source of strength and inspiration. Their love and sumptuous support enabled me to complete this project successfully. I owe every achievement of mine to them.

I express my gratitude to all my friends and relatives. My heartfelt acknowledgment goes to all, who have directly or indirectly contributed to this work.
