ACKNOWLEDGEMENT

First of all, I would like to express that I am highly indebted to all those who spare their valuable time and assisted me directly in the formation of the present work. I am taking the privilege to extend my sincere gratitude to all of them.

I would like to extend my heartfelt gratitude to my respected Supervisor, Dr. L. Leiren Singh, HOD, Department of Education, Manipur University for his caring and scholarly guidance and above all the encouragement he had given me in the shaping of the thesis. I have no words to express my deep sense of thanks, for, the thesis might not have taken the present form without his constant support and positive suggestions.

I would take the privilege to express my thanks to Mr. Dhaneshwar, psychologist, Disabled Section, Social Welfare Department, Government of Manipur for helping me to get the list of institutions of mentally retarded children working in Manipur and also to find the related materials for this study.

I am extremely thankful to Shri R.K. Dhanisana, Organiser of B. B. Paul Mental Development Home for giving me his kind permission and allowing me to use the library to gather the related materials and literatures on mental retardation. I am also thankful to Mr. Biken of Ch. Ibohal Institute of Mentally retarded of Changangei for his helpful nature in lending me the books from the library.
This is my privilege to express my gratitude to Mr. Dhanabir (Shedo), Smt. Anita (Principal, B. B. Paul), Smt. Radhetombi (Secy. Mangaal), Smt. Balabati (Principal, Shedo), Leminthang (Principal, Mangwa) and all the other staffs of the study centre School) for their kind cooperation at the time of gathering information on the present study.

I shall never be able to repay for the valuable help of sister P. Saroja, one of the active volunteer for the development of the education of the mentally retarded children and who is also serving as a principal of centre for mental disabilities, Jiribam. Really, she helped me a lot and spent her valuable time with me to gather the data from the study centres and helped me physically in collecting the questionnaires.

I will always remain thankful to my dear friend Ph. Nandita Devi for her unending support and help to gather the required literature for the study in the initiation of the research period. I am thankful to my sister Lakshmi who also helped me at this time of collecting literature.

I am really grateful to Mr. Jugindro, Census Department, Government of Manipur for providing me the records of the disabled.

My sincere thanks to all my respondents who kindly and warmly gave the responses to fill in the questionnaires. Really, all of them had contributed a lot by sparing their valuable time for me.

Also, my sincere thanks to each and every staffs of the study centre who supported me and rendered cooperation and help in the collection of the data from the case history of the mentally retarded children. I owe all the
lovely students who are included in the case history of my present study which is mainly based on them.

I am very thankful to seniors, friends and colleagues especially, Dr. Ng. Bembem for her kind advice and O. Usharani for her moral boost up towards the completion of my research work.

My special and sincere thanks goes to Mr. Theckaray, Data Manager, Regional Pediatric ART Centre, JNIMS for rendering help in browsing the computer to search the materials and also for his kind help in typing the materials of the present study.

I always remember and show my heartfelt thanks to my sister Tilotama and sister Mukhara for their kind help in typing and computerizing my thesis. Without them, it will be a big problem to complete it in time.

I am deeply indebted to my respected parents for their whole hearted support to my studies and during my research period.

Last, but not the least, I would express my sincere thanks to Mr. Ph. Iboyaima Sharma who helped me binding the thesis with special care.
