## CHAPTER ONE

### INTRODUCTION

<table>
<thead>
<tr>
<th>Importance of Agriculture</th>
<th>1</th>
</tr>
</thead>
<tbody>
<tr>
<td>Importance of Technology Transfer</td>
<td>2</td>
</tr>
<tr>
<td>Objective of the study</td>
<td>3</td>
</tr>
<tr>
<td>Scope of the study</td>
<td>4</td>
</tr>
<tr>
<td>Literature survey</td>
<td>5</td>
</tr>
<tr>
<td>Hypothesis</td>
<td>8</td>
</tr>
<tr>
<td>Methodology</td>
<td>9</td>
</tr>
<tr>
<td>Chapter description</td>
<td>11</td>
</tr>
<tr>
<td>References</td>
<td>14</td>
</tr>
</tbody>
</table>

## CHAPTER TWO

### CONCEPT OF INFORMATION: A RESOURCE IN DECISION-MAKING

<table>
<thead>
<tr>
<th>Definition of Information</th>

CHAPTER THREE

CONCEPT OF TECHNOLOGY TRANSFER 43-73

What is technology? 44
Technology transfer 45
Information transfer Vs. technology transfer 46

Role of technology in agriculture 48-56
Change agents 48
Credibility of change agent 51
Professional obsolescence 52
Uptodateness 54
Sporadic efforts 56

Transfer of technology in the field of agriculture 56-57
Stages in transfer of technology 57
Research and development system 58
Extension system 59
Extension in general 60
Extension set-up at the state level 63
Training and visit system 64
Extension worker 67

Observation 68
References 69

CHAPTER FOUR

AGRICULTURAL INFORMATION SYSTEM IN MANIPUR 75-116

Agricultural Information System 75
Characteristics 75
Services 76
Sources 77

Users 78
Scientists 78
Extension agencies 79
Farmers 80
Industrial/commercial enterprises 82

Manipur: an Agricultural outline 85
New Agricultural policy 89
Dissemination and transfer 97
CHAPTER FIVE

AGRICULTURAL INFORMATION SYSTEM IN MANIPUR: ANALYSIS AND FINDINGS 118-182

Introduction 118

User of agricultural information: The scientists 118
  Introduction 118
  Manifestation 122
    Purposes for collection of agricultural information 122
    Basic area of research 125
    Search strategy 126
    Strategy for dissemination 131
    Availability of information 131
    Suggestion 133
    Observation 135

User of agricultural information: The Extension agencies 136
  Introduction and methodology 136
  Sample characteristics 138
  Manifestation 141
    “Sources of information” used 141
    Means used by the users 146
    Use pattern of different types of documentary sources 150
    Use of libraries 153
    Types of services required 155
    Observation 155

Users of agricultural information: The Farmers 160
  Importance 160
  Sample characteristics 164
  Manifestation 168
CHAPTER SIX
SUGGESTION AND RECOMMENDATION

Introduction

Suggestions and recommendations
Combine effort
Organised Information Service
Technology transfer
Linkages with teaching & research
Awareness of farmers
Extension agencies
Orientation programme
Information transfer agency
Information Services through Agricultural University Library
Librarian and endusers
Librarian and technological advance
Cooperative acquisition
Role of rural libraries

Proposed ‘model’ for Manipur

BIBLIOGRAPHY

LIST OF TABLES, FIGURES, CHARTS, MAPS, EXHIBITS, ANNEXURES etc.
