ACKNOWLEDGEMENT

It gives me great pleasure in expressing my gratitude to all those people who have supported me and had their contributions in making this thesis possible.

My deepest gratitude goes first and foremost to my research guide, Dr. P. K. Rathod, Professor & Head, Post-Graduate Department of Business Studies, Sardar Patel University, Vallabh Vidyanagar, for his constant encouragement and guidance. Without his consistent and illuminating instruction, this thesis could not reach its present form. I thank him for generously sharing his knowledge and time.

I would also like to thank all the faculty members of Post-Graduate Department of Business Studies. I am also grateful to the staff-members of Bhaikaka Library and Department Library for their promptness and friendly attitude.

Data collection was a major part of my Ph.D. thesis. I extend sincere thanks to the respondents for taking the time to provide me candid feedback to my questions. I also thank friends and colleagues who helped me in collecting the data.

Most importantly, none of this could have happened without my family. Further, my thanks would go to my beloved father Shri Kanaksinh S. Raj and mother Smt. Manharkuvar Raj for their whole-hearted support and endless love in me all through these years. I am thankful to Smt. Nishaben Raj wife, Pal Raj daughter, Mr. Pravinsinh Desai father-in-law, Smt. Deuben Desai mother-in-law, Dr. Rakesh Raj brother and Smt. Hiral Raj for encouraging me in all of my pursuits and inspiring me to follow my dreams and supported me in every possible way to see the completion of this work. This thesis stands as a testament to your unconditional love and encouragement.

I am grateful to Dr. Sangita Mishra to undertake the computer related work.
Finally, it is all due to blessings of God, if I don’t acknowledge, without whose blessing and inspiration, I have done this work, I can’t complete it.

For any errors or inadequacies that may remain in this work, of course, the responsibility is entirely my own.
