ACKNOWLEDGEMENT

Any accomplishment requires the efforts of many people and this work is not different. With deepest gratitude, I acknowledge God’s love, guidance and protection that have always been mine in abundance, even when I was unaware of it.

It gives me great pleasure to acknowledge a deep sense of gratitude to my guide Dr. D. J. Desai, Principal, V. P. & R. P. T. P. Science College, Vallabh Vidyanagar, whose sage guidance has shaped every step in my career. I consider myself extremely fortunate for getting an opportunity to work under him in this esteemed institution.

I wish to extend my sincere thanks to Dr. B. C. Dixit, Head of Chemistry Dept., V. P. & R. P. T. P. Science College, Vallabh Vidyanagar, for his invaluable guidance and encouragement throughout the course of my study. It is due to his constant motivation, constructive criticism and belief in me that this research work has been successfully completed.

I am also grateful to Dr. H. N. Patel, Head of Microbiology Dept., V. P. & R. P. T. P. Science College, Vallabh Vidyanagar, who provided valuable insights for evaluation of anti-microbial activity.

I express my hearty feelings for the stimulating companionship and great cooperation of my colleagues and friends.

My heartfelt appreciation to my wife Swaty and my daughters Monali and Dipti, whose love is manifested in so many ways but particularly in their unstinting patience and understanding.

Words are insufficient to express my gratitude to my parents Shri Harish Parab and Smt. Rajni Parab, brothers Prashant and Siddharth, father-in-law Shri S. G. Jadhav and mother-in-law Smt. S. S. Jadhav, whose care has provided me a boost to successfully complete this mission.

I am sincerely thankful to the office staff and non-teaching staff of V.P. & R.P.T.P. Science College, Vallabh Vidyanagar, for their cooperation.

I am indebted to Charutar Vidyamandal, Vallabh Vidyanagar, for permitting and giving me a valuable opportunity to undertake research.

Regardless of the source, I wish to express my gratitude to those who may have contributed to this work, even though anonymously.
