It is matter of great pleasure and proud privilege for me to express my heartfelt sense of gratitude towards all those personalities who have always lent a hand in my pursuit for knowledge in diverse ways.

I express my profound sense of gratitude towards my knowledgeable, dedicated and meticulous guide Dr. (Miss) R.G.Patel, Head and Professor, Department of Chemistry, Sardar Patel University, It could have hardly been possible for me to undertake this research venture without her precious, intellectual, knowledgeable and valuable suggestions.

It gives me great pleasure to extend my sincere thanks to Dr. V. S. Patel (Ex-Vice Chancellor, Sardar Patel University) and Dr. M. P. Patel, Reader in Chemistry, Sardar Patel University, for giving me benefit of their knowledge and constructive criticisms during my research progress.

I gratefully acknowledge the important and valuable role of my parents, Mr. Kishorbhai M. Shah and Mrs. Nishaben K. Shah and sister Mrs. Jagruti M. Shah and brother-in-law Mr. Mitesh K.
