ACKNOWLEDGEMENT

I have indeed no words to express my gratitude to ever sympathetic guide Prof. Dr. M.K. Yagnik (Head), Department of Education, Sardar Patel University, Vallabh Vidyanagar for invaluable guidance and inspirations, in the absence of which this thesis would not have been completed.

I would also note with deep sense of gratitude, the contribution given by Dr. K.S. Likhia (Reader), Department of Education and Dr. Kanchana Watthayu, (Vice Director) the National Institute for Development of Teachers, Thailand.

I am also grateful to the teachers in primary and secondary schools in the Central part of Thailand who provided the data and all the information. I indeed thankful to them all who have directly or indirectly extended their help.

Finally, specially, the thanks are also due to my parents who helped and provided the strong will-power during a longer period of study.
