ACKNOWLEDGEMENTS

This thesis is the end of my journey in obtaining my Ph.D. I have not traveled in a vacuum in this journey. This thesis has been kept on track and been seen through to completion with the support and encouragement of numerous people including my well wishers, my friends, colleagues and various institutions. At the end of my thesis I would like to thank all those people who made this thesis possible and an unforgettable experience for me. At the end of my thesis, it is a pleasant task to express my thanks to all those who contributed in many ways to the success of this study and made it an unforgettable experience for me.

At this moment of accomplishment, first of all I would like to thank my guide, Dr.D.V.Ahire Head, Department of Physics, Z.B.Patil College, Dhule. This work would not have been possible without his guidance, support and encouragement. Under his guidance I successfully overcame many difficulties and learned a lot. Despite of his busy schedule, he used to review my thesis progress, give his valuable suggestions and made corrections. His unflinching courage and conviction will always inspire me, and I hope to continue to work with his noble thoughts. I am also extremely indebted to him for providing necessary infrastructure and resources to accomplish my research work. I am very much thankful to him for picking me up as a first student of his PhD guidance. I warmly thank to sir for his valuable advice, constructive criticism and his extensive discussions around my work.

I take this opportunity to sincerely acknowledge Mr.Amrishbhai Patel, Ex. School minister of Maharashtra Govt. and Precedent, R.C.Patel Education Society, Shirpur, Mr. Bhupeshbhai Patel, Precedent, Shirpur Education Trust. Mr.Rajgopal Bhandari, Chairman R.C.Patel Complex, Shirpur for their kind support and blessings during my entire career. I also express my sincere gratitude to Prin.Dr.K.B.Patil, former Vice-Chancellor N.M.U. Jalgaon and Director, R.C.Patel Educational complex, Shirpur. for his kind support and blessings. I am thankful to Principal Dr.D.R.Patil, R.C.Patel Arts, Commerce and Science College, Shirpur for providing necessary facilities, support me in every step of my carrier and giving constant encouragement.
I gratefully acknowledge to Dr.P.H.Pawar, Principal, Z.B.Patil College, Dhule and management of the Institute to provide the necessary infrastructure and resources to complete my research work and their kind suggestion and cooperation.

I offer my sincere thanks to my colleagues of R.C.Patel College, Shirpur Mr.H.B.Patil, Dr.A.M.Patil, Mr.S.G.Bachhav of Department of Physics and Electronics Dr. Ulhas Patil, Dr. Ravi Patil, Mr.A.J.Maheshwari, Mr.B.S.Panchabhai, Mr.M.C.Agale, and also to all the colleagues at R.C.Patel College, Shirpur, for their well wishes and encouragement during this work. I further extend my regards to all the non-teaching staff of my college specially Mr.G.R.Sonar, Mr. Komal D.Patil and Mr.Shivaji Padawi. I am gratefully thanks to all my Gurus Dr.P.R.Chaudhari, Mrs.Dr.Vidya D. Ahire, Dr.P.G.Kulkarni, Dr.R.M.Shewale, Dr.Y.S.Dorik, Dr.M.D.Mahanubhav, Dr.S.S.Patil, Dr.S.J.Mali from Department of Physics, and Mr.S.B.Nakave, Mr.A.N.Kharwandikar, Dr.Mrs.Sharada Shitole, Department of Electronics and Dr. Nilima Patil, Dept. of Botany at Z.B.Patil College, Dhule, for their well wishes and encouragement during this work. I further extend my regards to all the non-teaching staff of Physics and Electronics specially Mr.S.A.Chaugule, Mr.A.M.Patil, Mr.S.P.Shinde, Mr.Lalit Bhadane, Mr.R.D.Patil, Mr.Daga Borse and Mr.A.A.Bagul for their valuable help and cooperation.

I am grateful to Prof. O.P.N. Calla, Director, I.C.R.S., Jodhpur, Prof.Shiv Mohan, former Head, and Dr.Saroj Maity, Senior Scientist, SAC, I.S.R.O., Ahmedabad for their kind suggestions and academic support which really helped lot in my research work.

I am thankful to my friends Dr. Ajay Chaudhari and Dr. Sushant Deshmukh for their valuable guidance and support time to time. I am also thankful to Mr. Sham Marathe, Mr. Sunil Patil, Mr. Sanjeev Patil and Mr. Bipin Sonawane for actively supporting me in collection of soil samples.

I further wish to give my deep heart emotion of gratitude to my research colleagues in the microwave group Dr.Mrs.V.D.Ahire, Mr.V.V.Patil, Ms.Shabana Khatik, Ms.Chhaya Patil, Mr.Md.Quasim M.H., Ms.Tabssum S.Ansari and Ms.Kavita Bhandekar for providing me the most important moral and academic support, which helped me to complete my research work.
I am grateful to Dr. R.S. Patil, Chairman, B.O.S. in Physics, Prof. P.P. Patil, Director, Physical Sciences, and Member B.O.S. in Physics and all other B.O.S. Members in Physics for their kind co-operation during my research work.

I would like to thank Dr. Sahebrao Patil, Government Agricultural College, Dhule and Mr. Abhay V. Patil, Government Agricultural College, Pune, Mr. Parate, Soil Testing Lab., Shirpur for extending their excellent facilities to carry out physico-chemical analysis of soil samples. I further express my thanks to Mr. Sanjay Sonar, Sanjay Computers for his skillful and valuable assistance in type-setting and printing the thesis.

I would like to express my feelings of love and affection to my parents, late Shri. Arun Patil and Late Smt. Hirabai Patil who left us too soon and my uncle and aunty Mr. F.D. Patil and Mrs. Pramila Patil. Their love and blessings provided my inspiration and was my driving force. I owe them everything and wish I could show them just how much I love and appreciate them. I hope that this work makes you proud.
