ACKNOWLEDGEMENTS

First and the foremost, I would like to express my deepest gratitude to my supervisor, Dr. Bimal Kumar Dutta, Professor, Department of Ecology and Environmental Science, Assam University Silchar, Assam and co-supervisor, Dr. Potsangbam Kumar Singh, Associate Professor, Centre of Advanced Studies in Life Sciences, Department of Life Sciences, Manipur University, for their continuous support and guidance throughout the period of my Ph. D. research work.

I am also grateful to the Head of Ecology and Environmental Science Department, Assam University, Silchar and the Head of Life Sciences Department, Manipur University for giving me laboratory facilities and encouragement. I have great pleasure in expressing my thanks to Professor B. Manihar Sharma for his encouragement. I would like to express my heartfelt thanks to Dr. S. Jekendra Singh, Associate Professor, Central Agriculture University, Iroishemba and Dr. Ajit Kumar Das, Associate Professor, Ecology and Environmental Science Department, Assam University Silchar, Assam for their valuable advice and help.

I am grateful to all the Chiefs and villagers mainly elders who were associated with me while surveying the study sites, like Budha Kamei of Langthbal Khoupum; Chaoba Haomei of Chingmeirong; Hoijen Golmei, Paenpla, Kimbonung, Railupao, Dephewang of Tamenglong; Th. Koningtin of Liwa Sarei; Kh. Darpan of Heibunglok; Ng. Mono of Liwa-Changning; Sh. Bitin, TS. Ngamtin, Sh. Ginet, K. Tathangam of Japhou; Sh. Kothar, Ng. Benou, TS. Bihari, Ng. Ngamnar, Th. James of Monsang-Pantha etc. of the Kabui and the Monsang villages. I owe my special thanks to the healers, mid-wives, elderly people and other informants for their help and co-operations in my field survey. I acknowledge the co-operation of ‘Sirti Upa Ruh’ (Monsang Tribe Union) for allowing me to study about the Monsang tribe.

I am extremely grateful to the Joint Director, Deputy Director, Curators and Research Scholars of Central National Herbarium, BSI, Howrah, Botanical Survey of India, Allahabad and Botanical Survey of India, Eastern Circle, Shillong for extending their kind helping hands, facilities provided and confirmation and identification of some plant specimens.
I express my thankfulness to Th. Oliver Monsang, former Principal, United College, Chandel for his encouragement and advice. I like to thank BD. Thumdal, Principal, United College, Chandel for giving me permission for further study.

I would like to express my gratitude to Dr. A. Pinokiyo, Dr. Kh. Sandhyarani, Dr, Y. Sanatombi, Dr. Padmabati Devi, N. Deshorjit Singh and Pranjal Morang for their valuable suggestions, help and support. I will never forget the pleasant company of my colleagues. Sumitra, S., R.K. Ranjana, Reshma Khatoon, M. Haripriya, K. Joylani, N. Rebika, L. Kamala, K. Sanjita, Ch. Lalleima, Romila Th., Rosalin, Th., O. Gangarani, S. Inaobi, Y. Devashree, O. Ibetombi, Deepthi Mala Singha, Naba Jyoti Borah, Isori and Danney Chara for their support.

I would like to extend my thanks to Professor Arunkumar and K. Nabakumar Singh, Department of Earth Sciences, Manipur University for providing the map of Manipur and maps of study sites.

I would also like to thank Fancy studio especially Palu for the preparation and printing of my thesis and photo plates and Shantikumar Binding and Printing Consultant, Sega Road, Takhellambam Leikai, Manipur for binding my thesis.

My sincere acknowledgement goes to UGC for giving me study leave under Faculty Development Programme (FDP) and Director of Higher Education, Government of Manipur also for giving me study leave.

Lastly, I owe my success to my parents and in-laws for their encouragements. My gratitude goes to my husband Pukhrambam Ranakumar Singh for his help, care, understanding and encouragement.

(Mayanglambam Roma Devi)
