Acknowledgement

I am grateful to my respected research guide Prof. Priti Srinivas Sajja for her kind guidance at each stage throughout my journey of my Ph.D work. Her wide spread knowledge in the subject and her valuable contributions to the field of Artificial Intelligence allowed me to learn and progress continuously. Following her footsteps and able guidance I was able to carry out my research work successfully. During this journey she taught me multi-functional lessons which proved to be knowledgeable, valuable and meaningful. She gave me full support and freedom to achieve my goals and objectives. More than being a mentor, she was like a family member whose respected advice and guidance I will cherish rest of my life. The words are not enough to dignify the gratitude of her guidance which blended my efforts from coal to diamond. I wish that she continues to provide her wisdom filled guidance along with her never ending blessing to help me achieve my future goals and contribution to the society.

I would like to thank and acknowledge my respected teachers Prof. D. B. Choksi, Prof. P. V. Virparia, Prof. Dipti Shah and other faculty & staff members at the Department of Computer Science & Technology, Sardar Patel University, for their advice, suggestions and timely actions at different stages of my work.

I would like to acknowledge and pay my tribute to G.H. Patel Post Graduate Department of Computer Science & Technology, Sardar Patel University that provided me the infrastructure and necessary facilities to carry out my research work. The department has contributed to the society by providing quality of research students. I am honored and delighted to be the first ever full time Ph.D student of this most prestigious department.

I would like to thank all my well wishers that had faith in me and my work. I would also like to thanks my critics, which helped me to improve at different stages of my work.

I am endlessly grateful to my respected parents for their constant support at each and every phase of my research work. I would like to acknowledge my respected
father Mr. Ashokkumar Trivedi for his moral support and guidance. His monitoring helped me to focus, concentrate and target to achieve my goals. I would also like to acknowledge my respected mother Mrs. Chidghana Trivedi for her motherly love and affection that always pulled me out of some depressing moments and gave me new energy and boost to conquer my goals.

Lastly I would like to offer my prayers to all mighty God for everything.

With regards,

Jeegar A Trivedi
