ACKNOWLEDGEMENT

I have indeed no words to express my gratitude to ever sympathetic guide Prof. Dr. Pallavi P. Patel, Head, P.G. Department of Education, Sardar Patel University, Vallabh Vidyanagar for invaluable guidance and inspirations, in the absence of which this thesis would not have been completed.

I would express my deep sense of gratitude for the contribution given by Dr. Kanchana Watthayu, Vice Director, the National Institute for Development of Teachers, Faculty staff and Educational Personnel of Thailand.

I am also grateful to the physical education teachers in physical education institutes of Thailand who provided the data and all information. I am indeed thankful to all of them who have directly or indirectly extended their help.

Finally the special thanks also goes to my parents, and all in my family who have created in me the strong will-power & courage during the entire period of my research work.
