ACKNOWLEDGEMENT

I am deeply indebted God for shaping my life today.

My special thanks are due to Dr. Jonas Gunasekaran Principal, T.B.M.L. College, Porayar, who extended all possible help to complete my research work.

My heart is filled with gladness and gratitude when I think of my supervisor Dr. V. Frank Ratnakumar, Reader & Vice Principal, T.B.M.L. College, Porayar, who amidst heavy academic commitments, took much pain to channelize my research thought, introduced me the modern concept of Locus of Control and Job Involvement and corrected the manuscripts many times. I also thank him for his courtesy and kindness. His guidance and suggestions enabled me to complete my research and bring out this thesis in its present form. Let me add my deepest feelings of indebtedness to him.

I am thankful to Dr. William Robertson, Professor and Head and other faculty members of the department, TBML College, Porayar for their support.

I thank Mr. Selvakumar, Librarian (Incharge), T.B.M.L. College, Porayar for helping me to collect literature on the theme of the study.

I also acknowledge with thanks, the help and cooperation extended to me by the Manager and officials of Public sector and Private sector banks.

My heartfelt thanks go to Mr. Ramalingam for his valuable contribution in analyzing the collected datas.

I cherish the love and affection extended to by my brothers, sisters and in laws. They had been of immense support in pursuit of my research in many ways. I must thank them all.
I am very much grateful to my friends Mr. V.Chandrasekar, Asst. Prof., Mr.A.Sundar, Asst. Prof., Mr.R.Shanmugham, Asst. Prof., Mr.M.Senthil Coumarane, Director, Volntariat and many other friends whose names I could not mention individually here for want of space. They have really helped me in my work. I thank them all.

Last but not the least; I sincerely thank M/s. Eswarikrubha Computer Center, Nehru Nagar, Karaikal, for taking the pain in typing this thesis and giving it a final shape.

I wish to grab this opportunity to bring to record, the great source of inspiration I had received from my beloved daughter P.S.Pragnathi, throughout the writing of this report.

I dedicate this work to my beloved parents Mr. M. Sankaralingam, Mrs. S. Jayalakshmi, my uncle and aunt Mr. P. Jayabal and Mrs. J. Kanagavalli and my wife Dr. R. Sumathy.
