ACKNOWLEDGEMENT

I have massive gratification in expressing my deep sense of gratitude heart-felt thanks to Dr. (Mrs.) P. Geraldine, Professor, Department of Animal Science, Bharathidasan University, Tiruchirappalli, for her supervision, advice, steadfast inspiration, valuable suggestions, effective instructions, constructive comments, constant motivation, discussions and excellent guidance from the very early stage of this research as well as giving me extraordinary experiences throughout the work. I am thankful to her for her kindness, patience and support that helped me to perform many onerous tasks. It is only because of her enthusiastic encouragement and much effort I completed my thesis. I am indebted to her more than she knows.

I have immense pleasure in expressing my deep sense of gratitude and heart-felt thanks to Dr. Philip A. Thomas, Professor and Head, Department of Ocular Microbiology, Institute of Ophthalmology, Joseph Eye Hospital, Tiruchirappalli, for his admirable advice, his boosting words, optimistic suggestions and constructive comments and for critical evaluation of my papers for publications and thesis. His involvement with his originality has triggered and nourished my intellectual maturity that I will benefit from, for a long time to come. His intellect personality and superabundant support helped me to step into the scientific world with a clear vision.

I express my sincere thanks to Dr. G. Archunan, Professor & Head (in-charge), Department of Animal Science, Dr. C. Balasundaram, Professor (Retd.), Department of Animal Science, Dr. K. Emmanuvel Rajan, Professor, Department of Animal Science, and Dr. B. Kadalmani, Assistant Professor, Department of Animal Science, Bharathidasan University, Tiruchirappalli, for their valuable suggestions during this course of study.

I also extend my heartfelt gratitude and thanks to my doctoral committee member Dr. Vasanthi Nachiappan, Professor, Department of Biochemistry, for her beneficial critics and sanguine suggestion which helps me to take a right course of action in my research with great prudence.

I sincerely thanks to my seniors Dr. J. Kaliamurthy, Associate Professor, Department of Ocular Microbiology, Joseph Eye Hospital, Tiruchirappalli, for his help during my research.

I extend my hearty gratitude to my dearest brothers and Dr. T. Jayakumar, Dr. R. Elanchezhian, Dr. E. Ramesh and Dr. M. Sakthivel, for their deep interest, encouragement and unfailing help throughout the course of my Ph.D. program.
My heartfelt thanks and gratitude will always remain inclined to my colleagues, friend and well-wisher Dr. Miss. M. Isai and Dr. Mrs. G. Leema, for their moral support, untiring and timely help during my research and personal life.

I owe more words of thanks to my lovable juniors Mrs. T.S. Anitha, Mr. A.R. Muralidharan, Ms. R. Anandhi, Mr. A.K. Venkateshwaran, Mr. V. Vasantha Rooban, Mr. M. Sundararajan and Mr. K.V. Anand whose presence perpetually refreshed, helped and gave me such a memorable time when working together.

Words are inadequate to express my gratitude to my beloved parents, Mr. A. Thangaraj and Mrs. T. Kala, my beloved sister Ms. T. Ramya, and my dear brother T. Mahendra Babu, for their eternal love, constant encouragements, caring and moral support.

Words fail me to express my gratitude to my endearing brother Dr. P. Palsamy, whose love, caring, moral support, treasured advice, research assistance and persistent confidence in me, has taken the load off my shoulder. I owe him for being unselfish in letting my passions, and ambitions to come true.

It is with great pleasure; I sincerely thank my friends Mr. C. Sathish Claimer, Mr. P. Sathish Kumar, Mr. K. Palanivel, Mr. S. Rajaperumal, Mr. R. Vinoth Kumar, Mr. M. Pugalendracholan, Ms. V. Kanimozhi, Mr. G. Saibaba, Mr. M. Prakash, Mr. G. Rajesh Kumar, Mr. C. Senthil, Mr. C. Rajaseker and Mr. Muthu Kumar, for their voluntary help during my research work. And also I express my heartfelt thanks to all my friends and fellow researchers at the Department of Animal Science and other Departments, Bharathidasan University, Tiruchirappalli, from whose insight and encouragement I have benefited greatly.

I take this opportunity to thank Non-teaching Staffs of Department of Animal Science, Bharathidasan University, Tiruchirappalli, for their assistance.

I acknowledge the financial assistance provided to me by Council of Scientific and Industrial Research (CSIR), New Delhi and University Grants Commission, New Delhi.

I wish to sincerely acknowledge one and all who have helped me during my study and finally would like to convey my sincere thanks to the divine hearts for the efforts they have made to bring my thesis colorful.
