### Chapter-1: Contours of the Study

1.1. Introduction                                           | 1        |
1.2. Importance of the study                                | 4        |
1.3. Review of literature                                   | 6        |
1.4. Objectives of the study                                | 20       |
1.5. Hypotheses                                            | 20       |
1.6. Research design and methods                            | 21       |
1.7. Presentation of the study                              | 25       |

### Chapter-2: Origins and Growth of sports

2.1. Early origins of sports                                | 27       |
2.2. Growth of sports and sporting bodies                   | 29       |
2.3. Classification of sports                               | 31       |
2.4. Genesis and growth of sports in India                  | 31       |
2.5. Popular sports of India                                | 35       |
2.6. Professionalization of sports and the impact in India  | 52       |

### Chapter-3: An Overview of the Mass Media Scenario in India

3.1. Introduction                                           | 69       |
3.2. Print media                                            | 70       |
3.3. Radio                                                 | 71       |
3.4. Television                                            | 73       |
3.5. Films                                                 | 74       |
3.6. Internet                                              | 76       |
3.7. Mobile                                                | 77       |
3.8. Social media                                          | 78       |

### Chapter-4: Sports Reporting in the Indian Media

4.1. Evolution of sports reporting                          | 79       |
4.2. Media coverage of sports in India                      | 88       |
4.3. Role of media in building sports as brands             | 96       |
4.4. Media and the making of brand cricket in India         | 98       |
Chapter-5: Theoretical Framework of the Study

5.1. Role and functions of media in society 107
