ACKNOWLEDGEMENTS

First I have to bow my head before “ALLAH” the omnipotent, for his perennial shower of blessings, which enabled me to accomplish this task with all its phases of ups and downs.

Now it is time to express my heartfelt gratitude to persons, personalities and institution. On the literary side, my sincere thanks and gratitude goes to my supervisor, Dr. (Hafiz) Mohd Ilyas Khan, Associate Professor, Department of Psychology Aligarh Muslim University Aligarh for his vital contribution and supervision throughout this work. I acknowledge his unwavering critical and analytical support and advice for the deep study of my research work. I am indeed indebted to “ALLAH” for having given me a guide like him.

I wish to put on record my deep sense of grateful appreciation to Prof. Akbar Husain, Department of Psychology, AMU, Aligarh, for his invaluable help and moral support. In fact, he has been a moving spirit behind this research.

I would also like to express my profound gratitude to Dr. Naima K. Gulrez, Professor and Chairperson, Department Psychology, for her favorable attitude and for providing the necessary research facilities to complete this work.

At this juncture on personal front I would fondly remember my father (Late) Hafiz Mohd Kaleem Ullah who in instilled in me the desire to be all that I can be. The contentment of parents cannot be expressed in words. I believe all this happened only because of the blessings of my mother Mrs. Mumtaz Jahan and siblings.

I am indebted to my sisters Ishrat Baaji and Neelofar Baaji and brothers Mr. Irshad Ahmad Siddiqui and Mr. Dilshad Ahmad Siddiqui for their constant support which enabled me to accomplish this task with all its phases of ups and downs. I hope they will bless and support in every sphere of life.
My heartfelt gratitude goes to my all dear friends particularly, Jasimuddin Khan, Aleem, Shahnawaz, Shahid, Akhlaq, Zia, Matloob, Mohd Irshad Khan, Farhan Mohd Khan and Mohd Kamran Waseem. Their company, an asset to die for, has indeed made my research work one of the most memorable phases of my life.

I would also like to thank (Late) Dr. Rahat Ali Khan, Dr.Sajid Ali Khan, Dr. Asiya Aijaz, Prof. Saeeduzzafar, Prof. Mahmood S. Khan, Prof. Shamim A. Ansari and Prof. Naheed Nizami, Department of Psychology Aligarh Muslim University Aligarh who have always liked me and encouraged me to do my best.

I would also like to acknowledge the contributions of my dearest friends, Dr. Huma Hilal, Dr. Azam and his wife Dr. (Mrs) Fouzia Alsabah. The journey that we shared is rare. The obstacles that we overcame were many but we continued to support each other in times of need. I will never forget the lessons we learned.

I cannot forget to mention my dear colleagues and seniors especially, Dr. Sabiha Baby, Dr. Mohd Akram, Dr. Salma Kaneez, Dr. Fazli Muneer Rizvi, Dr. Mahvish, Dr. Maryam Khan, Dr. Sadaf Hameed, Dr. Mohd Rashid, Shahin and Ashfiya for the support they have always provided me. Thank you very much.

I also wish to thank the non-teaching staff of my department especially, Aqeel Bhai, Taj Bhai, Aftab Bhai, Majaz Bhai, Ghaus, Kafeel Bhai, Shabbir and Shariq Bhai for their help and encouragement during my thesis work.
