ACKNOWLEDGEMENT

This thesis would not have been possible without the guidance and the help of several individuals who in one way or another contributed and extended their valuable assistance in the preparation and completion of this study.

First, my utmost gratitude to my research guide Prof. C. D. Lokhande for his patience and steadfast encouragement to complete this study. This journey cannot be possible without his enthusiasm, his inspiration, and his great efforts to explain things clearly and simply. I appreciate all his contributions of time, ideas, and funding to make my Ph.D. experience productive and stimulating. The joy and enthusiasm he has for his research was contagious and motivational for me, even during tough times in the Ph.D. pursuit. I am also thankful for the excellent example he has provided as a successful researcher and professor.

I am thankful to Prof. N. J. Pawar (Vice-Chancellor), Shivaji University, Kolhapur, who has been very helpful in extending the infrastructural department facilities to me. I am also thankful to the head Prof. C. H. Bhosale, Department of Physics for his good wishes and support.

I am grateful to Dr. V. J. Fulari for his valuable help, suggestions and advice in carrying out my research work, during the course. I am indebted to Prof. A.V. Rao, Dr. P. S. Patil, Dr. K. Y. Rajpure, Dr. S. D. Lotke and Dr. R. S. Vhatkar for their kind support during my research work. I am also thankful to the teaching and non-teaching staff of the Physics Department and all the members of the university office. I am grateful to all the members of staff of the USIC and CFC, Shivaji University.

I would like to extend my appreciation and thanks to Dr. B. R. Sankapal, Dr. S. D. Saratale, Dr. T. P. Gujar, Dr. V. R. Shinde, Dr. S. S. Joshi, Dr. V. D. Patake, Dr. S. G. Kandalkar, Dr. J. L. Gunjakar, Dr. R. R. Salunkhe, Dr. A. M. More, Dr. D. S. Dhawale, Dr. Kishor Gurav, Dr. Umakant Patil, Dr. D.P. Dubal for fruitful discussion and suggestions during the course. Special thanks are reserved for Shinde madam and Gunjakar sir for providing SEM and EDAX facilities.
The period of course becomes fun and enjoyable due to my supportive co-workers. I am very much thankful to my co-workers and friends Prashant, Vinayak, Sachin, Nanashri, Ajay and Sandip sir. I am grateful to Dr. Sanjay sir and Nilesh sir for their kind support. I also want to remember my dear friends Lina, Dipa, Vidula, Ashwini madam, Appa, Suraj, Jyoti, Rupali, Sarita, Rekha, and Smita, for their constant encouragement.

On this occasion, I must remember my late brother Atul, he was not only my brother but also a very good friend, a good critic and strong supporter whom I love a lot. I am thankful to Varsha Tai, Abhi Bhaiyaa, Snehal, Bhauji, Mavashi and Kaka for every kind of help and back-up they given. A lot thanks are reserved to my beloved cute nephew Rajveer. He is my good luck charm, his ‘Ma’ will always thankful to him for his naughtiness that makes her laugh and forget every sorrow.

Finally, this work cannot be possible without the lots of good wishes, love and strong support from Mummy and Pappa, I will be lost without them. They are always behind me in every kind of difficulties I faced. I am always thankful to god for giving me such parents.
