ACKNOWLEDGEMENTS

I am immensely pleased to place on record my profound gratitude and heartfelt thanks to my Research Guide, Dr. P. S. Patil, Associate Professor of Department of Physics & Coordinator, School of Nanoscience and Technology, Shivaji University, Kolhapur. Who suggested the problem, extended all facilities and provided inspiring guidance for the successful completion of my research work. His continuous guidance, invaluable suggestions, affectionate encouragement, generous help and important acumen are greatly acknowledged. His keen interest on the topic and enthusiastic support on my effort was a source of inspiration to carry out the study. He has paid much of the invaluable time and the painstaking effort for the whole research. I consider myself fortunate to work under his supervision. I deem it as my privilege to work under his able guidance. I ever remain grateful to him.

I am very much thankful to Prof. C. H. Bhosale, Head, Department of Physics, Shivaji University, Kolhapur, for encouragement and providing laboratory facilities to carry out the experiments and complete this work. I am also thankful to all my teachers in the Department of Physics and Chemistry, for their guidance and help during my research work.

It is my great pleasure to thank Prof. Y. R. Ma and Dr. R. S. Devan, National Dong Hwa University, Taiwan, for availing the various characterization facilities time to time and Dr. R. S. Patil, The New College, Kolhapur for his fruitful discussions and constant encouragement in every phase of this work.

I am grateful to my colleagues, Mr. S. S. Mali, Mr. D. S. Dalavi, Miss. A. S. Kamble, Miss. V. V. Shinde, Mr. P. R. JadHAV, Miss. S. B. Pawar, Mr. N. S. Harale, Mr. A. J. More, Mrs. S. H. PISal, Mr. B. M. Patil, Mr. U. T. Pawar, Mr. V. V. BURungale, Miss. T. S. Bhat, Miss. S. A. Phaltane and Mr. P. P. WAIffalkar and all research scholars of the Physics Department for their constant encouragement and valuable suggestion during my research work.
I thank all my seniors Dr. S. B. Sadale, Dr. P. S. Shinde, Dr. A. I. Inamdar, Dr. (Mrs.) A. C. Sonavane, Dr. S. A. Vanalkar, Dr. (Mrs.) S. S. Kalagi, Dr. R. C. Pawar, Dr. (Miss) J. S. Shaikh and Dr. N. L. Tarwal for their help and encouragement during my research work.

My special thanks are reserved to my best friend Sachin for his constant help and support rendered during my tenure of research. You have supported me in the darkest time and believed in me even when I did not believe in myself. You motivated me time to time boosted my self-confidence, you were always there cheering me up and stood by me through the good times and bad. Thanks, Sachin.

I would like to extend my thanks to all my friends Dr. Swati Pusawale, Miss. Archana Chavan, Miss Rohini Kharade, my all M. Sc. classmates and juniors who helped me with all possible ways during my work. Thanks are also due to my college friends who formed our wonderful ‘TT-Group’.

I express special thanks to the staff of CFC and USIC Department Shivaji University, Kolhapur for providing me the characterization and fabrication facilities.

At this juncture I think of my parents whose selfless sacrificial life and their great efforts with pain and tears and unceasing prayers has enabled me to reach the present position in life. I am indeed indebted to My Parents And Other Family Members (My Beloved Grandmother, Brother, Sisters and Dajis’) for their immense help at all levels with moral and social support without which my work would not have seen the light of day.

Dipa.
