ACKNOWLEDGEMENT

The author expresses his profound sense of gratitude and heartfelt thanks to the research supervisor Prof. Dr. K. GANESAN, Principal, Sudharsan Engineering College, Pudukkottai, for his valuable guidance, unstinted co-operation during discussion and the encouragement provided throughout the course of the research work.

The author wishes to thank Dr. A. M. SHANAWAZ, Principal, all the faculty members of National College of Engineering, Tirunelveli and the Doctoral Committee members Dr. J. MAHESWARAN and Dr. S. PRABAVATHY for their suggestions, guidance, constant encouragement and support during the course of the work.

The author expresses his special thanks to his wife Tmt. K. RAJESWARI for her co-operation and sacrifices which helped him achieve this work in a satisfactory manner.

Finally, the author expresses his very heartfelt and heartfelt sincere thanks to his beloved parents M. VELLAIPANDIAN and V. KRISHNAMMAL for their constant support throughout the course of the research and makes the author an eligible person to do this work.
