Sub Study of Tortoise and turtles in the Forest and aqua bodies of Nmaeri NP and Orang NP Assam.

Ref Memo No AC/Ph D/FR/2415-2437 dtd 3.12.02

Sir,

Please find enclosed a copy of the letter no Nil, dt 21st Jan’04 from Pranab Kumar Sharma, Mangaldoi Collage, Mangaldoi which is self explanatory I am directed to inform you that permission may be given to Shri Pranab Kumar Sharma to carry out the study on turtles and tortoises in the forest and water bodies of your respective Protected Areas as requested, subject to observance of all the necessary formalities at your end.

I am directed to grant permission to this study subject to the following conditions:

1. No boundary mark of the protected areas will be damaged, altered, destroyed, moved or defaced
2. No wild animal will be teased or molested, or disturbed
3. The ground of the sanctuary will not be littered.
4. No damage will be caused to any flora and fauna
5. This permission shall not be construed in any way as an acceptance of the final project
6. No collection of flora or fauna or parts thereof is permitted
7. A report has to be submitted at the end of the study. A security deposit of Rs. 30,000/- may be taken by you and the same may be refunded after submission of the findings of the study.

The entry may be allowed by observing all other formalities and payments as notified by Govt.
