ACKNOWLEDGEMENTS

It is my pleasant duty to thank many people who have helped me directly or indirectly in the completion of the present research work. I take this opportunity to express my sense of gratitude to all of them.

I have been fortunate in meeting a teacher like Dr. Sarjerao B. Sagare, Emeritus Professor UGC, New Delhi (2011-2013), my research guide, who kindled interest for research in my mind and kept on inspiring me with valuable guidance. I am deeply indebted to him for his scholarly guidance and supervision in the course of this research pursuit. I am aware that this formal acknowledgement is but an inadequate expression of sense of gratitude to him.

I am particularly indebted to Prof. Attar, Head, the Department of English, Shivaji University, Kolhapur, for his guidance, encouragement and valuable opinions.

It also gives me a great pleasure to record my deep sense of gratitude to Mr. Y.M.Patil, Secretary and Mr. B.S.Patade, Chairman of the Governing Council, Samaj Jagruti Shikshan Sanstha, Murud for making available to me all kinds of facilities. I am extremely grateful to Dr. R.L. Laddha, Principal, Sambhaji Arts and Commerce College,
Murud, for the support and co-operation he extended me in the course of my research.

I appreciate the help rendered by the librarians of the following libraries for their kind co-operation: Sambhaji College, Murud; Shivaji University, Kolhapur; American Information Resource Center, Mumbai; British Council Library, Mumbai; British Library, Pune; Osmania University Center for International Programmes’ Hyderabad; CIEFL Library, Hyderabad and SCILET, Madurai.

At this juncture, it is very difficult to forget the blessings of my dear parents – Bhau-Kaku, brother – Audumbar, sisters – Seena and Veena and dear friends who felt proud of whatever I did to advance the graph of my educational career. I feel short of words to express my warm feelings to my husband – Surendrarao and sons – Ajinkya and Anand, nephews – Vaibhav and Vishal whose moral and emotional support, love and co-operation enabled me to make my dream a reality.

I am especially proud of my son, Ajinkya and my student, Shrikant Jadhav who rendered the computer services in connection with this research work.

Mrs. Meena Surendra Kadam.
