ACKNOWLEDGEMENTS

I am extremely indebted to my academic mentor Dr Jagdish Singh, Professor & Head, Department of Mathematics, Maharishi Dayanand University, Rohtak for his invaluable guidance, extensive discussions, constructive criticism and scholarly inputs. I also owe him my gratefulness for necessary administrative facilities and support and an amiable research environment extended and provided by him as chairperson. Without his unreserved help and personal attention this doctoral work could not have seen completion.

I am thankful to Department of Higher Education Government of Haryana and Smt. Aruna Asaf Ali Government Post Graduate College, Kalka for providing permission and opportunity to pursue Ph.D. from Maharishi Dayanand University, Rohtak.

I owe my thanks to all the staff members of Department of Mathematics Maharishi Dayanand University, Rohtak for the productive and healthy work environment and support during my research work.

My greatest appreciation and warmest thanks go to Prof. M.D. Sharma Dept. Mathematics K.U.K for his consistent encouragement and continuous emotional support in the moments of dejection during research work. His invaluable advice and constant motivation kept me going in all stages of the thesis. I owe him everything that I am.

I wish to express my heartiest thanks to my friends Dr Harvinder Sharma, Sh Arun Joshi and Dr Sunil Taneja for being the kind of friends they are, for being with me during hard and happy days to push me and motivate me.

I would like to thank Ms. Meenakshi for her kind Co-operation and constant support. I also express my sincere acknowledgement to all other staff members for their motivation, moral support and meaningful suggestions.

Most of all I am grateful to my family - Sudesh, my wife and children Bhaskar and Garima for their faith and conviction in me and my work. It is because of their unending patience, unconditional support and selfless love, care and sacrifices that the thesis has come to a successful completion.

Lastly my deepest sense of gratitude is due to almighty God who through His infinite mercy and blessings bestowed upon me wisdom, strength and perseverance required for the thesis. I dedicate this humble work to Him and further seek His blessings.
