ACKNOWLEDGEMENTS

It gives me an immense pleasure to express my sincere thanks and deep sense of gratitude to my supervisor Prof. M.R. Kumbhar for his paternal treatment, constant encouragement and inspiring guidance in completion of this thesis.

I am very much grateful to the Authority of the Manipur University for permitting me to do this research work. I am also thankful to Shri Th. Joychandra Singh, Registrar, Manipur University and Shri Ch. Radheshyam Singh, Deputy Librarian, Manipur University for sanctioning me necessary leaves in connection with this research work. This relieved me from the bondages of the official work and enabled me to think freely and to do freely. Without their help this tedious and time consuming work would not have been possible.

I am very much thankful to all the staff members of the public libraries in Manipur for giving their maximum cooperation in collection of the data from their libraries. In this regard, thanks are due to Shri P. Achoubo Singh, the Chief Librarian for sparing his valuable time while grasping with ideas and for giving his valuable suggestions about the scene of the public libraries in Manipur.
Thanks are also due to the professional colleagues of the Manipur University and teachers of the Library and Information Science Department of the Karnataka University, Dharmed for their encouragements.

I am thankful to Mr. Syed Soedur Rahman and Mr. A. Rajmani Luwang of Manipur University for taking their pains in typing this thesis and Mr. Ph. Iboyaimo Sharma of Manipur University for binding this thesis by using his latest techniques.
