2.3 Studies on Determinants of the Foreign Institutional Investments in Indian Stock Market

2.4 References

Chapter III: Research Methodology

3.1 Problem Declaration

3.2 Purpose of the Study

3.3 Hypothesis

3.4 Scope of the Study

3.5 Data Base and Source

3.6 Examination of Data

3.7 Implication of the Study

3.8 Restrictions of the Study

3.9 Organization of the Study

3.10 References

Chapter IV: Legitimate Framework Concerning FIIs in India

4.1 Registration Process

4.2 Circumstances for Grant or Renewal of Certificate to FIIs

4.3 Process Where Certificate is not Granted

4.4 Application for Registration of Sub-Accounts

4.5 Registration of Sub-Accounts

4.6 Limitations and Circumstances Applicable on FIIs
4.7 Process for Action in Case of Default .................................................. 88
4.8 Taxation of Foreign Institutional Investment ........................................... 92
4.9 Major Progress Concerning Policy toward FIIs ........................................ 93
4.10 References ............................................................................................... 98

Chapter V: Impact of FIIs on Stock Return ................................................. 99 - 110

5.1 Background ............................................................................................... 99
5.2 Evocative Statistics .................................................................................... 100
5.3 ARMA Model on Daily Data ................................................................. 102
5.4 Consequences of ARMA on Monthly Data .............................................. 107
5.5 References ............................................................................................... 109

Chapter VI: Impact of FIIs on Stock Market Volatility ..................................111 - 124

6.1 Background ...............................................................................................111
6.2 Impact of FIIs on Stock Market Instability .............................................. 114
6.3 Structure of Instability Before and After Influx of FIIs ........................... 121
6.4 References ...............................................................................................123

Chapter VII: Impact of FIIs Trading Quantity and Market Capitalization of Indian Stock Market .................................................................125 - 146

7.1 Background ...............................................................................................125
7.2 Scope, Database and Methodology ..........................................................127
7.3 Experimental Consequences ....................................................................132
Chapter VIII: Determinants of FIIs in Indian Stock Market

8.1 Background
8.2 Assortment of Variables and Research Methodology
8.3 Descriptive Statistics
8.4 Time Series Properties of Data
8.5 Bi-Variate Analysis
8.6 Results of Multiple Regression Model
8.7 Causal Relationship
8.8 Conclusion
8.9 References

Chapter IX: Major Findings and Conclusions

9.1 Objectives, Hypotheses and Methodology
9.2 Findings Concerning Impact of FIIs on Return
9.3 Findings Regarding Impact of FIIs on Instability
9.4 Findings about Impact of FIIs on Indian Stock Market Capitalization and Trading Volume
9.5 Determinants of FIIs in Indian Stock Market
9.6 Proposal and Policy Insinuation
