First and foremost, I thank to Almighty God who gave me the power and confidence to carry out this research project. The feeling of gratitude when expressed in words is only half. This acknowledgement expression is an effort to produce my overwhelming sense of gratitude, devotion and regards to all those persons who helped me during my dissertation. There are many people who deserve to be acknowledged for their support and continued encouragement in making this endeavor a reality. This is an opportunity to express my most humble appreciation and gratitude to every one of them.

It is rather difficult to express in words my sincere and deep sense of reverence for my supervisor, Dr P.K. Sharma, Head, Department of Microbiology, Ch. Charan Singh University, Meerut, for his valuable guidance, inspiring suggestions and providing all possible help for the completion of thesis. I am extremely thankful to him for endless hours of toil over draft after draft, editing, directing, encouraging, and with consistent reminders for patience. His experience in paying attention to minute details in writing was a great asset in keeping me focused on the final products and helped me a lot in thesis writing and going through it, in spite of his busy schedule. I am also grateful to him for providing all necessary facilities in Department for carrying out the present work. I am extremely thankful to Mrs. Rashmi Sharma for her cooperation.

I am also thankful to Dr. A.P. Garg, former HOD, Department of Microbiology, Ch. Charan Singh University, Meerut, for my Ph.D. registration.
My special thanks for Dr. Deepak Kumar Sharma and Dr. Anjali Malik for their time, guidance, nice cooperation and help. I also pay regards to Shri R.K Sharma, Dr. Dilshad Ali, Mr. Ajay Shukla, Dr. S.K Shahi, Dr. Devanand Prakash, Dr. Dinesh for their kind attention and guidance, skilled advice during completion of my thesis. I would like to thank Mr. Jameel and Mr. Rajesh for providing equipments and to other non-teaching staff for their helpfulness during this research.

I should express feeling of gratitude to my Mother in law Mrs. Meena Gupta, Father in law Dr. K.C. Gupta, Sisters in law Mrs. Reshu Gupta and Mrs. Priyanka Gupta, jijaji Mr. Atul and Mr. Vivek for their sincere cooperation, prayers, moral support that has finally made this success possible.

I would also like to say thanks to my Grandmother, Mother Mrs. Pushpa Agarwal, Father Mr. J.B. Gupta, Brother Mr. Akshay Gupta, Sister Mrs. Shivani and jijaji Dr. Gaurav Gupta who were there with me in all my odds and evens with their full support and encouragement. Their love, affection and prayers walk with me, their hands clear the thorns of my way and their prayer enlighten the every step of my life.

Finally, my deepest gratitude must go to my husband Mr. Amit Gupta, for encouraging my curiosity, instilling a thirst for knowledge and infusing in me the perservance that has enabled me to attain all that I have accomplished.

Last but not the least, my special and deep gratitude goes to my daughter ‘Divyanshi’ and son ‘Dev’ for their sacrifice and patience, and who lost my lovely support and care during the period of this research work.
