ACKNOWLEDGEMENTS

The present research work is based on valuable inputs from several people. My advisor Prof. (Dr.) Anupam Srivastav has been a marvelous guide to me. His guidance has proved invaluable in helping me form the concepts of research and has been the main key to my findings. My deepest acknowledgments to him for the same.

I would like to thank Prof. (Dr). Rajnish Garg for the interest in my work and accepting of being internal Supervisor of this thesis. He has been a great source of knowledge about tribology and all sorts of practical matters. Prof. Garg also has a humanistic and social side that I appreciate very much.

I would also like to thank Prof. (Dr.) Mukesh Saxena for his valuable inputs and guidance.

I would like to thank Dr. Vinay Kaul who gave me the opportunity to carry out my research work in his laboratory. The motivating discussion with him and his encouraging support were an important factor for the success of this thesis.

I would like to express the deepest appreciation to Dr. R. M. Dubey (Vice-Chancellor, IFTM University) who continually and convincingly conveyed a
spirit of adventure in regard to research and scholarship, and an excitement in regard to teaching.

I would like to thank Dr. R.K.Tripathi, who as a good friend was always willing to help and give his best suggestions and without his guidance and persistent help this dissertation would not have been possible.

I would also like to thank my friends Dr. Vishal Saxena and Mr. Vaibhav Trivedi who has stood by me as I endeavor to do my research and for their help & support in various forms.

Special acknowledgements are for my colleagues Mr. Nabeel Ahmad, Mr. Abhishek Srivastava, Mr. Mrigendra Amb, Mr. Arvind Shukla, Mr. Hemant Mishra for helping me with their fair attitude and for giving me the good time.

Finally, I would like to thank my wife, Mrs. Firdaus Fatima Rizvi for always there cheering me up and stood by me through the good times and bad. I am also indebted to my son Farzan for giving me space by not disturbing me and I am also apologetic to him for not giving him much time due to my research work.

Last but not the least I wish to thank my family for being a constant source of love, support and encouragement to me.
